NOTE OF REMARKS.

The accompanying plan and estimate provide for re-roofing the closed prison cells of the Penitentiary at Madras. The estimate amounts to Rs. 11,200 - being as there are to be 100 cells, at an average cost of Rs. 112 per cell. There are at the Penitentiary 113 closed prison cells and the semi-terraced roofs of 99 of these cells are in a very bad state. It is now proposed to remove the faulty roofing and re-roof the cells with semicircular archwork which is considered stronger and cooler than ordinary terracing. One of the existing cells which has a span of 15½ feet is to be divided into two, each of 7½ feet span, by a partition wall erected along the centerline.
