Sir

Enclosures 2
1 Detailed and abstract Estimate
1 Comparative Statement

I have the honour to forward for your approval and counter signature and subsequent transmission to Government an Estimate of Rs 992 for repairing the District Munsif's Court at Nandalur.

2. An estimate of Rs 340 was first sanctioned locally for repairing the leaks in the roof of the building; but it has been since found that new timber was necessary to make the roof sound. The estimate has therefore been revised providing for the thorough

Lett. C. No 7123/86

repairs of the main building and its out-houses.

3. The Estimate exceeds one-fourth of the value of the building, viz, Rs 2500 and consequently needs the sanction of Government.

I have &c.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following letter from H. T. ROSS, Esq., Registrar of the High Court of Judicature at Madras, Appellate Side, to the Chief Secretary to Government, dated Madras, 2nd December 1886, No. 3214 :—

I am directed to submit, for the sanction of Government, the accompanying designs and estimates, amounting to Rs. 955-8-0, for record racks required for the new District Court building at Rajahmundry, and to request that funds may be allotted for the same.

2. The District Judge removed his court to the new building early in this year, but the records are still kept in the old building a quarter of a mile off for want of racks, the existing ones being quite unsuited to the new building and too old to stand the shock of removal. The old building itself has been condemned as unsafe for the record-keeper and his assistants to remain in, and the Public Works Department are anxious to have it vacated with a view to dismantling it.

3. Provision for these racks was not made in the previous estimate for furniture for this court (G.O., 12th March 1886, No. 664 W.) as it was then proposed to supply iron racks to all courts, which proposal has had to be kept in abeyance under G.O., 14th August 1886, Mis. No. 2147, Judicial.

No. 4522, Judicial.

Approved and transferred to the Public Works Department.

(By Order.)

Public Works Department.

7/23

Current No.s 287 and 288

Letter No. 4522 of 1886, and G.O. No. 74 Jud.

Dated the 16th January/87

From the Secy to Govt. – Judicial Dept.

NOTE OF REMARKS.

1. In his letter No. 38 of the 3rd Feby/86, the District Judge of Godavari intimated that 54 iron racks were required for the record room of the new court-house at Rajahmundry. On reference being made to them, Messrs. Massey & Co. replied "that they could complete and despatch in from 3 to 4 months from date of order" these 54 racks and 2 wrought iron ladders at a total charge of Rs 4800. – In asking Government for a special grant to meet the District Judge's indent in this case The Honorable the Judges of the High Court recommended the provision of such iron racks for all the District Courts in preference to wooden racks. – On this request and

recommendation of the High Court Judges the following order was passed:—

G.O. No. 2147 Mis. of the 14th August/86.

"The Government approve the proposal of the Hon'ble the Judges of the High Court to provide iron record-racks for Dt. Courts, but regret that, at the present time they are unable to allot any funds for the purpose."

2. The District Judge of Godavari, Mr. Lister, now submits an estimate for providing wooden records racks for the District Court at Rajahmundry. The estimate amounts to Rs. 953½ — In his note on this estimate, the Hon'ble Mr. Hutchins writes.— "I should like to have the space now provided compared with that asked for in the indent for iron racks. I suspect Mr. Lister somewhat exaggerated his requirements then" He further adds:— "I should also like Colonel Hasted's opinion on Massey & Co's estimate. The great advantage is not the [illegible]

"of iron for wood, but the saving of space"

3. The following is Messrs. Massey & Co's estimate for iron record-racks:—

36 racks, 6 ft. long × 2½ ft. wide × 13 ft. high, with 12 shelves 1 ft. apart, at Rs. 95 each — Rs. 3,420; 18 racks, 3 ft. long × 2½ ft. wide × 13 ft. high, with 12 shelves 1 ft. apart, at Rs. 75 each — Rs. 1,350; and 2 wrought iron ladders, 12 ft. long, at Rs. 15 each — Rs. 30. — Total — Rs. 4,800. — The total cubic space available in these 54 iron racks for the stowage of records equals — 8,100 c. feet — which, at a cost of Rs. 4,800, gives the average cost of 100 c. feet of stowage space as Rs. 59.25.

4. The following is the estimate now submitted by the Godavari District Judge for wooden record-racks:—

3 racks, 16 ft. long × 1 ft. wide × 12 ft. high with 5 shelves, at Rs. 103¼ each — Rs. 309¾; 3 racks, 16 ft. long × 5 ft. wide × 12 ft. high, with 5 shelves, at Rs. 96¼ each — Rs. 288¾; and 3 racks,

16 ft. long × 3 ft. wide × 12 ft. high, with 5 shelves, at Rs. 59½ each – Rs.357. — Total – Rs. 955½. — The total cubic space available in these 12 wooden racks for the stowage of records equals – 8,644 c. feet – which, at a cost of Rs. 955½, gives the average cost of 100 c. feet of stowage space as Rs. 11·05.

5. It may thus be summarized from the foregoing two paragraphs (3 and 4) that the record-stowage space of the 12 wooden racks (8644 c. feet) is 544 c. feet greater than that of the 54 iron racks (8100 c. feet); and that the record-stowage space of these iron racks is more than five times as costly (being Rs. 59.25 per 100 c. feet) as that of the wooden racks (Rs. 11·05 per 100 c. feet).

6. It may be remarked that the woodwork, bars vertical and horizontal, of the wooden racks, if correctly shown on plans, should certainly receive a better finish even though it be at an additional cost which however cannot be great. Varnish, no doubt, or wood oil is also provided;
