Despatch from the Right Honorable Lord CROSS, Her Majesty's Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 26th August 1886, No. 22, Public (Records).

Referring to my despatch of the 12th November last, No. 42, relative to the "India Office List," which it is intended to publish in this country, containing an account of the services of gazetted officers, and particulars of any literary works of general public interest undertaken by them, I have now to forward to your Excellency the reply to an inquiry by the Government of India as to the interpretation to be put on the last words above quoted.

ENCLOSURE.

Despatch from the Right Honorable Lord CROSS, Her Majesty's Secretary of State for India, to His Excellency the Right Honorable the Governor-General of India in Council, dated India Office, London, 26th August 1886, No. 67, Public (Records).

I have received your Excellency's letter, Home Department, Public, No. 30, of the 19th June last, in which you ask for some further definition of the literary works "of a public or official character" which it is desired to insert in the new "India Office List" against the names of their respective authors. It is most undesirable to increase unnecessarily the bulk of the book, and it would be out of the question to include all departmental or official reports drawn up by officers. The mention of these should be limited to reports of special importance which have been deemed of sufficient interest for general publication. Other works should, generally speaking, be limited to original publications.

ORDER—dated 29th September 1886, No. 2031, Public.

Communicated to the Accountant-General and to the officers to whom G.O., No. 2964, dated 19th December 1885, was communicated for information and guidance.
