Tanjore Division
Tanjore

Most Honored Sir,

I most humbly beg to state that I am a Guzeratte Brahmin by birth and am the only soul of that caste that has entered the Public Works Department in the whole of the Madras Presidency.

I have passed the marginally noted Examinations - I was a temporary Record clerk in the Tanjore Collectors office on Rs 15 for one year and seven months from 1st September 1880 and afterwards an acting Store Keeper on Rs 20 in the Executive Engineers office Negapatam Division - I was a clerk IV class 3rd Grade on Rs 20 assisting the Head Accountant in the compilation of accounts in the Cauvery and Vennaur Regulators Division since the

as clerk IV class II Grade in the same
Dimision on Rs 30 but I was not remo in
to the Dimision office but was still
allowed to continue, till the close of
the Dimision in September 1886, in
Charge of stores and Workshop - As
Workshop Superintendent, I made
under my supervision all the timber
and Iron works required for this
project finishing works in the time
fixed by Executive Engineer - The works
are the following - Seven wooden
Shutters for the Vrunaur and three
for the Cannery, all the timber and
Iron works for Iron Falling Shutters
for Grand aicut, Boxes for Concrete
Beams, the fixing of all the Shutters
of the Vrunaur and twenty of the
Cannery - The Executive Engineer

had already recommended me to the Superintending Engineer on the 12th January ~~1st December~~ 1884 for a permanent footing in the Department and stated that there were only 10 months time before I completed my 25 years. My Temporary service both in the Revenue and in the Public Works Department amounts to 6 years and 8 months. In answer the Superintending Engineer replied that my name for a permanent appointment was registered. In consideration of my special tra in the Workshop business, C. J. Pe Esquire, the Executive Engineer of the late Cauvery and Vrinavr Regulators Division recommended me for the Assistant Superintendent to be entertained in the Conservancy Establishment. Under these circumstances I beg that my previous employment in the Departments

Departments for a lengthy period
of nearly 6 years on special work
of a Project he was taken into
favourable consideration and that
I may be recommended for exemption
from the age bar as I am now

favoured with the post of
Assistant Superintendent -
for which post of Charge
I shall ever, as in duty bound, pray
for your honors prosperity and long

Forwarded for favorable consideration. The petitioner has had already a good deal of experience in the duties which should make him a useful assistant. He has also been in Govt employ as stated in his petition since 1878. I have already recommended him in the port of Amt. Assistant in the C & Venmar Regulators as I consider him as good a man as can be got for the place. He was strongly recommended for permanent employment by the Executive Engineer in charge before he left in Jan. last year, and by him lately in another division. I have the honor to recommend that he be exempted on the grounds given above.
