Superintending Engineer's Office,
2nd Aile, Camp Madras,
22nd December 1885.

From

The Superintending Engineer,
2nd Aile.

To

The Chief Engineer,
Public Works Department,
Madras.

Sir,

I have the honor to bring to your notice, that stationery articles of the value of Rs 36.8.3 required for use in connection with Stone Manufacture in the Ristna Eastern Division were this year purchased locally and charged to "Stone manufacture" as has hitherto been done. But this practice having been objected to by the Examiner, the cost of the articles has been transferred to Office Contingent as advised by him, in the Contingent bill for October last. The Examiner having again remarked in the Disallowance List No. 106 of 1885/86 on the Contingent bill referred to above, that the sanction of Government should be obtained for the admission of the

Stationery purchased in the local market,
in accordance with Para 1001 of the P.W.D.
Code, I request that the necessary sanction of
Government may be obtained in this case.
In future, arrangements will be made to obtain
the Stationery required for use in connection with
Stone Manufacture, from the Superintendent of
Stationery.

I have the honor to be,
Sir,

Your most Obedt Servant,

J. H. Morant

Lieut-Colonel R.
