FORT ST. GEORGE,
4th September 1886.

(Signed) H. F. CLOGSTOUN,
Accountant-General.

ORDER—dated 16th September 1886, No. 935, Financial.

It is observed that, in some cases included in this return, sanction for retention in the service had lapsed on the 1st April 1886 and had not been renewed, while in others, no action of any kind seems to have been taken, notwithstanding the orders* issued on the previous return. The Government must insist on the provisions of G.O., No. 947, Financial, dated 13th June 1885, being enforced. The Accountant-General is accordingly authorised to pass, *provisionally* only, pending the orders of Government, the pay of any officer whose retention in the service beyond the prescribed limits has not been specifically authorised.

The ~~Chief~~ Secretary,

To The Chief Secretary.

The undersigned has the honour to enquire, with reference to G.O. dated 13th June 1885 No. 947, Fincl. Dept: whether it is intended that questions relating to the retention in the service of officers on the completion of 55 years of age shall hereafter be dealt with in the Financial Department whatever be the Department to which they belong, whether each Department of the Govt. is to deal with the cases of officers under its control.

Read—the following paper:—

From the Examiner, Public Works Accounts, dated 25th March 1886, No. 143.

Order—dated 31st March 1886, No. 869 W., Public Works.

With his letter above recorded, the Examiner, Public Works Accounts, submits a statement showing the names of persons employed in the Public Works Department who have attained the age of fifty-five years or who will attain that age during the current year. Orders of Government on each case have been entered in the last column of the statement.

2. It is observed that, in several cases, individuals have been certified to be fit for further service for two and in some cases for three years; but the Government are not prepared to sanction their retention for a longer period than one year, and have accordingly directed that their names be resubmitted for further orders in the statement for 1887.

3. In cases in which the Government have sanctioned the recommendation that certain individuals be retained in the service for one year more, the necessary steps will be taken by the proper authorities for retiring them at the expiration of the year should they be declared unfit for further service.

4. In the statement printed in G.O., No. 1324 W., dated 8th June 1885, the retention in the service, until the 1st September 1886, of P. Arunachallam Mudaliar, head clerk in the office of the Superintending Engineer, IV Circle, was recommended. The Government sanctioned his retention accordingly. In the statement now submitted the same man is recommended for retention for two years. The Superintending Engineer will submit a special report on this case. When the Government are asked to sanction the retention of an individual until a fixed date, it is understood that the man is to be retired immediately after that date.

13th December 1879, No. 2375.

Twenty-Five Years' Order.

Read the following paper:—

No. 105. *Proceedings of the Board of Revenue, dated 10th November* 1879, *No.* 3,154.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to the Acting Secretary to the Board of Revenue, dated 29th October 1879, No. 330.

I have the honor to enclose copy of a petition addressed to me by certain registered copyists of my office, requesting that the Order of Government prohibiting the entertainment in the public service of persons above the age of twenty-five may be relaxed in their favor, on the ground that they were entertained long ago as registered copyists, and that they had severally acted in different appointments in which they were not confirmed, as these appointments were not permanently vacated.

2. I consider that these men who have volunteered their services for some time are entitled to the concession they now seek. Many of them are on the eve of their 25th year, and the rigid enforcement of the order in question will press hard on the petitioners.

3. There are probably many such men in the same plight in the Tanjore District, where I believe the public service is recruited entirely from registered men.

4. I request, therefore, that sanction may be obtained for the exemption of these men from the operation of the Government Order under reference.

From H. J. STOKES, Esq., Collector of Madura, to the Acting Secretary to the Board of Revenue, dated 1st November 1879, No. 518.

Extract from report enclosed.

I have the honor to report that a Gumastah's post in the Madura Taluk has fallen vacant to which I propose to appoint Dorasami Naidoo, Acting 4th Clerk of the General Deputy Collector's Office. Dorasami Naidoo is very favorably spoken of by the Deputy Collector, and has been entertained in the Revenue Department as a volunteer from a long time and has held several acting appointments. He has passed the tests required for the post of Deputy Collector and has gained experience in this department. It is desirable in fairness to the individual as well as in the interest of the service that he should be removed from the restriction which his present age of 28 years subjects him to (*vide* G.O., No. 1,772, dated 15th September 1879). I therefore submit the matter for the favorable consideration of the Board and the sanction of Government.

SUBMITTED for the orders of Government with reference to G.O., dated 15th September 1879, No. 1,772.

2. The Board consider that registered volunteers are entitled to consideration. In many districts a regular system of enrolling volunteers to secure trained men for

employment in the public service is in force, and in 1876, the advisability of introducing a uniform system throughout the Presidency was urged by the Collector of Tanjore: although for reasons stated in their Proceedings, dated 27th November 1877, No. 5,082, the Board were not prepared to direct the general adoption of the scheme then submitted, they approved its continuance in Tanjore and recognised the advantage of having at hand trained supernumeraries ready to fill temporary vacancies. It would be extremely hard to deprive men who have worked for years without remuneration in the confident hope that they would eventually secure a permanent footing on the establishment of all hope of employment, and they therefore recommend that registered volunteers be exempted from the operation of the rule, subject to such restrictions as to the number to be employed in any office as the Government may see fit to impose.

From S. JACOB, Esq., Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Chief Secretary to Government, dated Simla, 27th August 1881, *No.* 2609 [*Current No.* 2378].

In reply to your letter, No. 1413, dated 3rd August 1881, I am directed to say that it is intended by Section 102, Rule 4, of the Civil Pension Code, that cases where the Medical Officer has stated that a person is by appearance above twenty-five years of age should be submitted to Government for orders, though there be no occasion to doubt the person's statement as to his real age. As stated in your letter, the opinion of the Medical Officer is only to be regarded as determining a person's age where no certificate of birth exists, or where there is room for suspecting the person's statement. But the Accountant-General cannot tell which evidence is best; the matter must, therefore, be decided by the Local Government on the case being brought to its notice by the Accountant-General.

Read—the following letter from Lieutenant-Colonel H. M. VIBART, R.E., Officiating Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Camp, Ramandroog, 5th April 1884, No. 32:—

I have the honor to request that authority may be given for the appointment of Mahaboob-Meeah, who is aged 30 years, as a lock superintendent on the Kurnool canal. It is necessary that lock superintendents should have some knowledge of handicraft work, such as carpentry and masonry; but the Executive Engineer reports that it is sometimes difficult to procure men possessing such qualifications and under 25 years age at the same time.

2. I would solicit a general sanction for the admission of men over 25 years of age to the situation of lock superintendents when necessity arises. Vacancies in these appointments frequently occur on account of dismissals and resignations; and application in each individual case seems unnecessary.

Order—dated 16th April 1884, No. 984 W., Public Works.

The appointment of Mahaboob-Meeah as lock superintendent on the Kurnool canal is confirmed. His claim to pension will be regulated by the established rule.

2. The general sanction applied for in paragraph 2 of the Superintending Engineer's letter cannot be granted. The prior sanction of Government to the appointment of men over 25 years need not, however, necessarily be applied for. It will be sufficient if the Superintending Engineer reports such appointments for the confirmation of Government.

From Lieutenant-Colonel H. R. MEAD, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Shiyali, 6th March 1884, No. 2442 T.J.—Through the Examiner of Public Works Accounts.

I have the honor to bring to your notice that, on a reference by the Executive Engineer, Tanjore, to the Examiner of Public Works Accounts, he states his opinion that the post of superintendents with pay exceeding Rs. 20 should be held only by one who has passed the general test or middle school examination in the 1st class, and that men who have passed the surveyor's test in the Civil Engineering College are not eligible, and, I suppose, also considers no person whose age exceeds 25 eligible for these appointments (see paragraph 174 of Code).

2. If you consider this ruling is correct, and I suppose, unless these men are considered artificers (paragraph 170), it is so, I have the honor to request that Government may be moved to sanction the appointment of men, whose age exceeds 25, who have passed as surveyors in Civil Engineering College to the post of superintendents.

3. For these appointments often an older man than one of 25 is advisable as experience is generally necessary, and the training of a surveyor is better than many others. A man who has passed and had some experience as a surveyor is much more suitable than a young man under 25 who has passed the middle school examination, 1st class.

No. 1545 S.E.

Forwarded to the Chief Engineer, Public Works Department, for favor of disposal. This office has no remarks to offer on the suggestions advanced by the Superintending Engineer except that a *general* ruling sanctioning the appointments of men whose age exceeds 25, and who have passed as surveyors, to posts of superintendents, does not seem expedient.

Endorsement by the Chief Engineer for Irrigation, dated 1st April 1884, No. 69.

Order—dated 16th April 1884, No. 983 W., Public Works.

The opinion in the Public Works Department is that a man who has passed the surveyor's test is likely to be more useful on the irrigation conservancy establishment than one who has merely passed the middle school examination. It is accordingly remitted for consideration in the Educational Department whether the surveyor's test may be deemed a sufficient qualification for appointments on that establishment.

FINANCIAL DEPARTMENT.

Read—the following paper :—

From W. DONALD, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 28th May 1886, No. 1544.

Presidency Audit Department.

In their Order (Financial Department), No. 1772, dated 15th September 1879, Government directed, with reference to section 61, rule 4, and the foot-note to section 70 of the Civil Pension Code (4th edition), that their previous sanction should be obtained to the entertainment of a person in the public service whose age exceeded 25 years, and by G.O., Financial, No. 1795, dated 4th August 1884, the sanction of Government was also declared to be necessary to the re-entertainment of persons above 25 years of age who had voluntarily resigned the service.

2. A case has occurred in the office of the Board of Revenue, in which C. V. Seshagiri Rao was entertained as head clerk of the Forest establishment. The man's pay for April 1886 was disallowed by this office for want of sanction of Government to his entertainment, as his age, according to the health certificate furnished with the bill, exceeded 25 years.

3. The Sub-Secretary, Board of Revenue, in reply to this objection, states that C. V. Seshagiri Rao was previously employed as head clerk, Revenue Department, Government Office, but was dismissed from that appointment on 13th July 1883 for neglect of duty, and that under G.Os., Judicial, No. 36, dated 5th January 1878, and Financial, No. 672, dated 26th March 1884, the sanction of Government does not appear to be necessary to his re-entertainment. The former order, it will be observed, has no bearing on the age question, while the latter would seem to have been superseded by the later order, No. 1795, Financial, dated 4th August 1884, and as, under this last order, the sanction of Government was necessary to the re-entertainment of a person over 25 years of age who had previously resigned the service, it is obvious that it should not be less applicable to the case of a man who had been dismissed the service.

4. By correction, No. 136 (No. 1419, Financial Department, dated 25th March 1886) to Financial codes recently received, rule 4 to section 106 of the Civil Pension Code, 6th edition (originally rule 4 to section 61 of the 4th edition, and on which the Order of the Madras Government, No. 1772, dated 15th September 1879 was based), has been cancelled, but the resolutions of the Government of India printed as foot-notes to proviso to section 115 of the code, 6th edition (section 70 of the 4th edition), laying down, as a general rule, that no person should be admitted into the uncovenanted service after he has attained the age of 25 years, have not been withdrawn, as far as I am aware.

5. Under these circumstances, I have the honor to enquire whether Government Orders of September 1879 and August 1884, above quoted, are to be considered to have been cancelled, and the entertainment in future of persons above 25 years of age left to the discretion of heads of departments. If this is the view of Government, their sanction in the present case of C. V. Seshagiri Rao will not be necessary.

Order—dated 19th June 1886, No. 542, Financial.

The re-entertainment in the public service of a person who has forfeited, by resignation or dismissal, his previous service, amounts to a new appointment; and, as such, requires the sanction of Government, or of the head of the department in cases so provided for, when the 25 years' limit has been exceeded.

No. A.A.P.—2.

To the Secretary to Government, Financial Department, Madras, with reference to rule 4, section 110, of the Civil Pension Code, 6th edition; rule 49, chapter 35, Civil Account Code, 3rd edition; and G.O., Financial, No. 805, dated 20th April 1880.

FORT ST. GEORGE,
4th September 1886.

(Signed) H. F. CLOGSTOUN,
Accountant-General.

ORDER—dated 16th September 1886, No. 935, Financial.

It is observed that, in some cases included in this return, sanction for retention in the service had lapsed on the 1st April 1886 and had not been renewed, while in others, no action of any kind seems to have been taken, notwithstanding the orders* issued on the previous return. The Government must insist on the provisions of G.O., No. 947, Financial, dated 13th June 1885, being enforced. The Accountant-General is accordingly authorised to pass, *provisionally* only, pending the orders of Government, the pay of any officer whose retention in the service beyond the prescribed limits has not been specifically authorised.
