Disposal.

D/1718

No. 2801 Dated 17th August 1886

Returned to the Supdg Engr. I Circle, for resubmission accompanied by a report and detailed estimate. Attention is invited to the very low rate allowed for cut stone.

2. In No. 598 Cdy 21-3-85, the S.E. was informed that

the abutment should be separately contracted for with Messrs. Mackay & Co; but the S.E. now proposes to carry the work out departmentally. No explanation of the reasons for the change is afforded.

C. No. 5891

D.W.

The accompanying plan and estimate for constructing the Gopalpur pier abutment are to be returned to S.E.I. with a request that a report and detailed estimate for that work may be submitted. —

Attention is to be drawn to the very low rate allowed for cut-stone — (Rs. 4 per c. foot).

J.H.
