No. 229. *Advance paragraphs of a Military Despatch to the Government of India.*

I have received from the Government of Madras a communication* giving cover to certain questions asked by

* Military letter No. 61, of 26th July 1886, para. 6.

Captain A. W. Smart, R.E., regarding service in India.

I request that the Government of Madras may be informed that the widows of Officers of Royal Engineers who elect for continuous service in India will receive pensions according to the provisions of the Royal Warrant of 10th June 1884 or such Royal Warrant as may hereafter be substituted for it: that non-election for Indian service will not necessarily involve removal from the Indian Establishment, the question of the leave rules of officers who do not elect being under consideration: and that officers can only be allowed to return to the British Establishment by exchange, in which case they would forfeit all claim to Indian pension.
