Letter from the Executive Engineer Nilgiri Division No. 2003 dated 4th October 1888 to the Superintending Engineer IV circle

I have the honor to bring to your notice that R. Gopal Reddiar Draftsman who was transferred from late Barur Project Division for duty in this Division has claimed actual expenses while travelling from Beypore to Ooty.

The Examiner has disallowed the claim and passed only mileage of his grade under section 67 of the Civil Travelling Allowance Code. I have pointed out to the Examiner that actual expenses should be allowed in his case as the amount claimed is fair and reasonable and that the means of conveyance used for the journey cannot be had for less than the amount paid b the Draftsman and that other means of conveyance would be costly.

2. You have also supported th claim and sanctioned its admission un orders contained in G. O. 2083 W of 18th August.

3. The Examiner has refused to admit the claim and states that nothing more than mileage rate of his class will be admitted as will be seen by the Disallowance List No. 180 of 1886-87 sent herewith for information and return when no longer

onger required.

4 I would also point out that actual expenses (Cart hire) Rs 4-12-. claimed on behalf of M. A. Anantalwar Temporary Overseer on his transfer from Wellington to Ooty has been passed by the Examiner without objection in Travelling allowance Bill for August 1886.

5. I therefore beg that you will be good enough to refer the matter to Government and obtain general sanction for the admission of similar charges for those that happen to travel on the ghât from Mettupoliem to Ooty to join their appointments on transfer or otherwise.

Letter from the Superintending Engineer Circle No. 386 W. dated 12th October 1886.

I have the honor to forward rewith for orders a letter of the Executive gineer, Nilgiris, appealing against decision of the Examiner.

Draftsman Gopal Reddy s transferred from Calicut to Ootacamund, and for the Journey, exclusive of other charges not objected to or the objections allowed by the Executive Engineer, he made the following

following Charges:—

Bandy, toll, and ferry charges from Calicut to Beypore — } 2-4-.

Bandy from Mettupoliem to Ootacamund ——— } 7-8-.

These were actual expenses and unavoidable, but the Examiner only passed mileage to the extent of Rs 5-2-. disallowing Rs 4-10-. Out of this disallowance the Examiner states he is willing to pass for ferry and tolls, which would be not more than 8 annas

3. The Executive Engineer has requested me to represent this hard case in view to the amount disallowed Rs 4-10-. being specially sanctioned

Office note from the Examiner P. W. Accounts No 534 dated 23rd October 1886

Your office note No. 3591 dated 15th October 1886.

The draftsman claimed on transfer from West Coast to Nilgiri Division actual expenses under section 69, from Calicut to Beypore, and from Mettapoliem to Ooty and Railway fare from Beypore to Mettapoliem under the ordinary rules of the Civil Travelling Allowance Code. The journey must be taken as a whole. There is no rule under which actual expenses ar

are admissible for a portion of a journey and ordinary rates for a portion. Section 69 does not apply to a case of this sort. The mileage passed by this Office is all that is admissible.

Order thereon No. 2828 W dated 28th October 1886

The Examiner's note will be communicated to the Superintending Engineer IV Circle with reference to his No. 386 Ew. dated 12th October 1886 - The Examiner's disallowance is correct and must be upheld -

Office note from the Examiner P. W. Accounts No. 534 dated 23d October 188

Your office note No. 3591 dated 15th October 1886.

The draftsman claimed on transfer from West Coast to Nilgi Division actual expenses unde section 69, from Calicut to Beypore, and from Mettapoliem to Ooty and Railway fare from Beypore to Mettapoliem under the ordinary rules of the Civil Travelling Allowance Code. The journey must be taken as a whole. There is no rule under which actual expense ar

are admissible for a portion of a journey and ordinary rates for a portion. Section 69 does not apply to a case of this sort. The mileage passed by this Office is all that is admissible.

Order thereon No. 2828 W dated 28th October 1886

The Examiner's note will be communicated to the Superintending Engineer IV Circle with reference to his No. 386 Ev. dated 12th October 1886 – The Examiner's disallowance is correct and must be upheld –

Letter from the Executive Engineer Nilgiri Division No. 2003 dated 4th October 1888 to the Superintending Engineer IV circle

I have the honor to bring to your notice that R. Gopal Reddiar Draftsman who was transferred from late Barur Project Division for duty in this Division has claimed actual expenses while travelling from Beypore to Ooty.

The Examiner has disallowed the claim and passed only mileage of his grade under section 67 of the Civil Travelling Allowance Code. I have pointed out to the Examiner that actual expenses should be allowed in his case as the amount claimed is fair and reasonable and that the means of Conveyance used for the Journey cannot be had for less than the amount paid by the Draftsman and that other means of Conveyance would be costly.

2. You have also supported the claim and sanctioned its admission in orders contained in G. O. 2083 W of 18th August.

3. The Examiner has refused to admit the claim and states that nothing more than mileage rate of his class will be admitted as will be seen by the Disallowance List No. 180 of 1886-87 sent herewith for information and return when no

longer

onger required.

4 I would also point out that actual expenses (Cart hire) Rs 4-12-„ claimed on behalf of M. A. Anantalwar Temporary Overseer on his transfer from Wellington to Ooty has been passed by the Examiner without objection in Travelling Allowance Bill for August 1886.

5. I therefore beg that you will be good enough to refer the matter to Government and obtain general sanction for the admission of similar charges for those that happen to travel on the ghât from Mettupoliem to Ooty to join their appointments on transfer or otherwise.

Letter from the Superintending Engineer I Circle No. 386 W. dated 12th October 1886.

I have the honor to forward erewith for orders a letter of the Executive gineer, Nilgiris, appealing against decision of the Examiner.

Draftsman Gopal Reddy s transferred from Calicut to Ootacamund, and for the journey, exclusive of other charges not objected to or the objections allowed by the Executive Engineer, he made the following charges:—

Bandy, toll, and ferry charges from Calicut to Beypore —— } 2-4-„

Bandy from Mettupaliem to Ootacamund —— } 7-8-„

These were actual expenses and unavoidable, but the Examiner only passed mileage to the extent of Rs 5-2-„ disallowing Rs 4-10-„. Out of this disallowance the Examiner states he is willing to pass for ferry and tolls, which would be not more than 8 annas

3. The Executive Engineer has requested me to represent this hard case in view to the amount disallowed Rs 4-10-„ being specially sanctioned
