

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following Proceedings

of the Court of Wards, dated 18th October 1886 No 1298. on letter from the Collector of Jangam, dated 30th September 1886, No 3859.

I have the honor to request that the Court of Wards will be pleased to sanction Rs 6400 for the erection of rest houses at the marginally noted places in the Parlakemudi Estate.

2. At A a rest house is much needed to facilitate approach to Kinnedi, the distance between Karasamapet and Kinnedy being 28 miles

3. At B a rest house of an inconvenient type has been sanctioned. There is a very large Tank there and an estate road leading it - a rest house of a better type is therefore required.

4. As regards C some good shelter is much wanted in the western portion

- A. at the 14th mile of road from Karasamapet to Kinnedi.
 B. at Kinnedi in the East end of the Estate
 C. at Kottur in the West of the Estate
 D. at Jambandi on the Eastern side of the Estate.

of the Estate - which has been much neglected by the Estate Engineer owing probably to this want.

5. D. A similar rest house at — R. 27.10.86
Parabanda on the eastern side is also needed.

6. The amount required for each rest house is Rs 1500. Vide the enclosed estimate and plan submitted by the Superintending Engineer for Courts — Approval and sanction.

Order thereon, 22nd October 1886, No 637.
