SIR,

Enclosures. 2

In returning your En-
-dorsement No. 2803 C dated 17th
August 1886, I have the honor
to remark that as these un-
-serviceable and repairable
tools & plant & Mathema-
-tical Instruments are sent
to the Madras P.W. Workshops
and Stores because they
are no longer wanted on
the State Railways for
which, it is presumed, they
were originally purchased and
as there is no likelihood of a
satisfactory sale of them in
Madras and are not likely
to

to be wanted in any
Madras Public Works
Division, I would sug-
gest that no more be
received from the State
Railways and that the En-
gineers-in-Chief of these Rail-
ways be addressed accordingly.

By the order of Government
No. 1186 dt of 11 May 1886, the Super-
intendent is doing all he can to
reduce his stock; for him
to receive these Tools and Plant
& Mathematical Instruments he
will be unable to make the
desired reduction.

I have the honor to be
Sir
Your most obedient servant
