To

The Honorable C. Forster Webster,

Dated, Colacamund, 6th May 1886.

Sir,

On my inspection of the Sub. Regis-
trar's Office at Avanashi in the Coimbatore
District on the 5th October 1884, I remarked:-

"Since my last inspection of the office
on the 28th June 1881, the windows have been
provided with iron bars, still the office is
not entirely adapted for its purpose, the
almirahs containing the records being placed
in the same room with the Sub. Registrar,
his clerk and porters who resort to the office.
An additional room is necessary."

2. The Registrar of the District
now requests that a record room may be
added, "as the only room in which the
office is held measures 20 by 20 feet and
is insufficient for the requirements of the
office. The room can be extended on the
northern side."

3. Under the circumstances represented

I have the honor to recommend that the
business of His Excellency the Governor in
Council may be obtained for the prepara-
tion of a plan and estimate for adding
a record room to the Sub-Registry office
at Annapolis.

I have the honor to be,
