2ND NOVEMBER 1886, No. 2883 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from Major D. McN. CAMPBELL, R.E., Superintendent of Works, Tank Maintenance Scheme, to the Chief Engineer, Public Works Department, dated 23rd October 1886, No. 3514 T. :—

I have the honor to inform you that the Examiner has disallowed the railway charge paid by Mr. Joyce, Executive Engineer, No. 1 Tank division, for the cooking utensils taken by him from Madura to Dindigul and back, on the grounds that they are the personal property of that officer, and therefore not entitled to carriage at Government expense.

2. These articles are necessary for an officer while on tour, and as they are considered to be part of camp equipage, I request you will be good enough to authorise the Examiner to audit the above claim.

No. 3840 C.

Note by the Chief Engineer, Public Works Department.

In memorandum, No. 2786 C., dated 13th August 1886, it was laid down that an officer should not charge for the conveyance of any articles which he would have to carry in his private capacity, and it appears that only in very rare cases, when so travelling, would an officer carry cooking utensils with him. It is therefore considered that cooking utensils should be taken as part of an officer's camp equipment and charged for accordingly.

(Signed) J. O. HASTED, Col., R.E.,
Chief Engineer, P.W.D.

2nd November 1886.

ORDER—dated 2nd November 1886, No. 2883 W., Public Works.

The Government agree with the Chief Engineer, and the Examiner will accordingly be directed to pass charges for the conveyance as part of camp equipment of cooking utensils when an officer is travelling on duty.
