In forwarding herewith the estimate notes in the margin for improving the Thenputhu-vaikudi tank in Mudukulattur Taluk of the Ramnad Estate, I have the honor to inform you that the estimate has been prepared by the Executive Engineer.

In the covering letter it is stated, that the tank has had no outflow upon it for many years and its bund is low and weak.

The lands under the tank are at present irrigated by two open cuts (Keethumadai) and the surplus is discharged by a natural escape.

The estimate provides for:—

cutting supply channel and raising channel and tank banks... Estimate Rs 1430

constructing a masonry irrigation sluice to replace one of the Keethumadai... 570
2000

The financial details have not been given by the Executive Engineer in the estimate but he states that they will be supplied when received from the Tahsildar.

The estimate is recommended for sanction.

Endorsement by the collector of Madura dated 24th July 1886. No 188.

Submitted to the Court of Wards for sanction with the enclosures & returned.

Reference on the above dated 6th August 1886

The collector of Madura is requested to expedite the submission of the financial statement showing the cultivation and revenue under the tank.
