Sepoys' Lines at Matigiri

Letter from the Government of India sanctioning the estimate of Rs. 230 for repairs to the —, in the Salem district, communicated to Superintending Engineer, IV Circle, and Examiner of Public Works Accounts.

No. 171
Exp.

Supg. Engineer's office, Coimbatore,
5th August 1886.

To,

The Superintending Engineer,

To,

The Examiner,

Public Works Accounts.

Sir,

In reply to your letter No. 115 S.E. 4th dated 2^d Instant, I have the honor to state that the estimate for repairing the Sepoy's lines at Matigiri, sanctioned in register No. 9, provided only for ordinary repairs, and was treated as an original work, because the amount of estimate exceeded one fourth the value of the building.

2. Para 1397A of the Code, while ordering that expenditure on the construction and repair of accommodation for native troops was to receive special sanction from the Government of India, makes an exception in the case of "ordinary repairs."

3. The estimate provided nothing in the shape of improvements, or special repairs, but only repairs of mud walls and roof and white washing.

4. I request therefore you will inform me if you still consider special sanction of the Government of India is necessary.

I have the honor to be,

Sir,

Yours most obedient servant
