GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

From the Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepâk, 21st September 1886, No. 770.

With reference to paragraph 2 of G.O., No. 1539 W., dated the 17th June 1886, I have the honor to report that I met the Principal of the College of Engineering, and discussed the question of reserving a cricket and recreation ground and ground for additional tennis-courts and a gymnasium for the use of the students.

2. I enclose a plan of Chepâk park; the portion colored pink on the west side of the college will be quite sufficient for two tennis-courts and the gymnasium, and I do not see any objection to this plot being so utilised.

3. With regard to the cricket and recreation ground, I find that there is no other open piece of ground in the park suitable for the purpose except that suggested by the Principal in his letter to the Director of Public Instruction, No. 956, dated 15th March 1886, on the east side of the college. A portion of this ground is used as an archery-ground during the cold season, and the students of the college now use it as a cricket-ground. If the officers of the Board of Revenue have no objection, I cannot see any reason why the students should not continue to use it as a cricket-ground, provided they do not interfere with the planting and do not play when the ground is occupied by those engaged at archery.

No. 3333 C., Public Works.

Referred, with advertence to G.O., dated 27th May 1886, No. 329, Educational, to the Board of Revenue, for favor of opinion with respect to the proposal to permit the students to use the ground to the east of the college as a cricket-ground.

Proceedings of the Board of Revenue, dated 22nd October 1886, Mis. No. 7909.

Read—Endorsement of the Secretary to Government, Public Works Department, dated 28th September 1886, No. 3333 C., on letter from the Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated 21st September 1886, No. 770.

Resolution—dated 22nd October 1886, Mis. No. 7909.

The Board have no objection to the continued use of the ground for cricket, on condition that the students do not interfere with the planting and do not play when the ground is occupied by those engaged at archery.

In reply to your office note, No. 3334 C., dated the 28th September 1886, I have the honor to forward copy of a memorandum from the Secretary to the Board of Revenue giving the particulars required.

ENCLOSURE.

Mis. No. 7709.

With reference to office note, Public Works Department, No. 3334 C., dated 28th September 1886, the undersigned begs to say that the Third Member of the Board of Revenue, Mr. Whiteside, when in charge of the Chepâk Palace grounds, permitted the Toxophilite Club to use the ground on the sea front of the Board's office as an archery-ground on the application of General Chamier. It is not known if the club is still in existence.

16th October 1886. (Signed) M. HAMMICK,
Acting Secretary.

ORDER—dated 10th November 1886, No. 2967 W., Public Works.

The proposals of the Consulting Architect, contained in his letter of the 21st September 1886 above recorded, are approved.
