PUBLIC WORKS DEPARTMENT.

General,
Establishment.

READ—the following papers :—

From Lieutenant-Colonel J. L. L. MORANT, R.E., Superintendent of Works, in charge II Circle, to the Chief Engineer, Public Works Department, dated Buckingham Canal, 16th January 1886, No. 470 B.C.

In your memorandum, No. 1337 C., dated 5th August 1885, the services of Temporary Overseer P. Pereira were sanctioned on the Buckingham canal for six months. This overseer joined on the 2nd August 1885. May I now solicit sanction for their further retention till the end of June 1886 ?

2. May I take this opportunity of submitting, for sanction, a revised statement of temporary establishment required up to the end of 1885-86 on the Buckingham canal.

Temporary Establishment

Sanction accorded to the revised statement of — required in the Buckingham Canal division during 1885-86.

C. No. 6768

Note $\frac{296}{6}$

The establishment originally sanctioned for the Buckingham Canal Division was as follows:—

1 Exec. Engr.
1 Asst. Engr.
3 Upper Subordinates

In March 1884 this Estab. was increased by

2 Overseers 1st grade.

In February 1885 the estab. was again increased by

2 Overseers 2nd grade.

In July 1885 the estab. was again increased by

1 Overseer 2nd grade.

The present scale therefore stands now at

1 Exec. Engr.
1 Asst. Engr.
8 Upper Subordinates.

The S.E. II Circle now submits an application for a

18th July

further increase to the Buckingham Canal Divn.

of 1 Overseer 2nd grade.

As this application should have been sent through the Chief Engnr. for Irrgn: it is proposed to send it now to E. I. for his opinion on the necessity of the proposed increase.

Yes

We have to provide for about 50 passed A.C.Es, B.C.Es, Supervisors, Overseers & tempy overseers thrown out by the late reduction & it would be hard on these men to give Manivelu Pillai the preference for a post as the latter is only an unpassed Maistry

Manivelu's apptmt. till date of relief can be sanctioned. W. 3.8

Sir,

I have the honor to acknowledge your No 166 B.C. dated 16" June 1885 giving cover to Memorandum No 1043.C dated 12th Idem from the Chief Engineer regarding the appointment of T. Manivaloo Pillay as Temporary Overseer

2. On taking over charge of this Division from Major Drake-Brockman in May last I was told that a temporary Overseer had been sanctioned for the Southern portion of the canal since February and that it seemed difficult to secure a man. I visited the Dy. Chief

Engineer

Engineer at Madras and learning no one was immediately available obtained his permission to appoint T. Manivaloo Pillay or any one I could obtain. I thereupon did so at once reporting my action to you at first demi officially and subsequently, on the arrival of the Overseer himself officially

3. As the Chief Engineer does not sanction Manivaloo Pillay's appointment I will order him to be relieved as soon as Mr C. J. Fox whom you mention has arrived.

4 May I request the favor of Manivaloo Pillay's temporary appointment being recognised from the date of his arrival 22nd May 1885 until relieved by Mr C. J. Fox.

5. The urgency of the appointment of a Temporary Overseer in the Southern Sub. Division was urged by the Chief Engineer for Irrigation on the 7th February 1885. The immediate removal of the present man before he is relieved will much hamper the Sub-Divisional Officer

Officer and greatly impede the works.

Sir,

I have the honor to inform you that the length of the Southern Sub Division in charge of Conductor Mr Power is 77 miles i.e. from 11th Mile of Northern canal near Ennore, to the end of Southern canal near Merkanam.

2. In this Subdivision there are no less than 9 flood gates now under Construction

besides

besides (4) four diversion
cuts scattered all along
the Canal and requiring
close and constant
supervision. Mr Power
has also to look after the junction
canal running through
Madras: this from its
crookedness &c is a troublesome
piece.

3. In addition to his ordinary
and sufficiently onerous
duties, Mr Power has to
comply with requisitions from
Officers in charge of the other
Sub divisions of the Canal
for stone and timber and such
other materials as are
required for works in their
charge. He has also to inspect
the wharf and toll Offices
under his charge where cash
collections especially at the
Madras

Madras Wharf are very
large and are always
being received —

4. From my recent in-
spection of the whole of the
Southern Canal I find
that additional assistance
is necessary to enable the
Southern Sub Division Officer
to push on vigorously
with his work —

5. You are aware that
Mr Power is now supplied
with only one Temporary
overseer (Mr Dox) who
is on his way to join. I beg
that you will be so good
as to obtain the sanction
of the Government for
another temporary overseer
on Rs 80 per mensem and
to request the Chief Engineer

to

to nominate for the post
if he has no objection
T. Mannuvelu Pillay who has
been making himself acquainted
with the works for the past
6 weeks and is a very good
man - a pensioned overseer
Failing him will you or the Chief

one else.-

Sir,

I have the honor to forward
herewith for your consideration and orders,
2 letters from Lieutenant-Colonel Morant R.E.
Executive Engineer, Buckingham Canal Division,
No 1002 of 6 July/85 one explaining the circumstances under which
T. Manivelu Pillay was employed by him
* No 1088 of 10 do— as Temporary Overseer; and the second*
requesting that the continued employment
of Manivelu Pillay may be sanctioned.

2 I have the honor to request that
another Overseer may be specially sanctioned
for the Southern section of the canal,
and that this sanction may be accorded
from the date Manivelu Pillay was originally
entertained

3. I certainly think, that Mr. Power

requires a Second Overseer, and that the work cannot be properly supervised unless another man is posted.

4. Should you wish to nominate another Overseer, please do so, but as Manicka Pillay appears to be working well, I request his continued employment may be sanctioned, and that the Examiner be authorised to pass his salary from the 22nd May. An Estimate to cover the Overseer's salary and allowances is herewith forwarded for sanction.

I am not able to approve the appointment of T. Manivelu Pillai as temporary Overseer. He was offered a similar post in March last on Railway Relief Works – Vide W. 605 of 21 . 3 . 85 – but declined in reply of 23d idem. That refusal puts an entire end to any claim he may have possessed, – whereas there are many passed candidates waiting for employment, with much stronger claims.

One of these should be appointed to the temporary post now sanctioned.

With advertence to para 4 of E. E.'s letter dated 6 . 7 . 85 No. 1002, Manivelu Pillai's temporary appointment may be recognised from 22 . 5 . 85 until date of relief by new [illegible].

Sir,

I have the honor to inform you that Mr. Bond Sub Engineer in charge of Iskapally Sub Division is in want of a responsible assistant to be entrusted with executive duties; Overseer Mr. Noronha will be of no help to him as he has been deputed to take levels of the Pennair Embankment and other such special works requiring information for the preparation of Estimates.

2 Mr. Bond suggested to me that Periasamy Pillay might be appointed as Temporary Sub Overseer 2nd grade on Rs. 35 per mensem with the usual travelling allowance to entitle him to hold an Imprest.

3. This Periasamy Pillay was one

who was appointed by you on Rs 40 chargeable to the work establishment when you were in charge of the Division, he has certificates in Surveying and drawing and has proved to be a well conducted man and appears fit to be put in charge of the canal from Pennair to Muthukur where, although there are no new works in progress at present with the exception of Kristnapatam Rest House, yet the attention of a competent man is required for close supervision of silt clearance work.

4 If this arrangement is carried out Mr. Bond will have sufficient time to pay attention to the new works in progress north of Pennair with the assistance of Sub Overseer Manicum Modily and I therefore request that you will be so good as to obtain the requisite sanction for the entertainment of this man as Temporary Sub Overseer 2nd grade up to the end of the current official year.

5 I take this opportunity to bring to your notice that I have given orders to Mr. Power to relieve Manuvalu Pillay

from his duties in accordance with your endorsement No. 179 C. of 25th August 1885 on Chief Engineer's Memo No. 1380 C. dated 15th August 1885.

Sir,

Encl 1

I have the honor to enclose copy of a letter received from the Executive Engineer Buckingham Canal Division requesting sanction to the appointment of Periasamy Pillai as Temporary Sub Overseer 2nd Grade on a salary of Rs. 35 per mensem, with the usual Travelling Allowance. I have the honor to state that, Mr. Bond Sub Engineer is much in want of a responsible Assistant. Periasamy possesses Certificates in Surveying and drawing, and has proved himself fit to be put in charge of the Canal from Pennair to Muthukur. If this man's appointment is sanctioned, Mr. Bond will have sufficient time to pay attention to the

new works in progress north of the Pennair.
I request therefore that the necessary sanction may be accorded for the entertainment of this Sub Overseer up to the end of the Current official year.
