 Your Excellency the Governor in Council that I am a
 throw-out hand in the permanent establishment
 of the office of the Examiner of P. M. Accounts in the late
 reduction of P. M. Department, and again I had
 represented in the Temporary Irrigation, Capital
 and Revenue Departments in the Examiners Office, for
Temporary Clerk when the Temporary Irrigation was
 made permanent there was a reduction in the Tem-
porary Irrigation, and I being one of the hand among
 the reduced, mentioned in the list, was obliged to give
 my resignation on that date, thinking that my former
 services may be included, if I get a then vacant
 post in the Post Office, I had no without a treat.

The fact that my services were dis-

attributed to the fear I had of losing my continued
service which I thought would continue without
break, if I got the then vacant appointment
in the Post Office.

Your Excellency should consider
whether there will be any man that would
dislike Government Service and much less
behold me go into the service of the
