MADRAS,

To

The Secretary to Government,

Public Works Department.

Madras, 5th November

1886

Sir,

With reference to G. O. No. 2898 W. dated 3rd. November 1886, I have the honor to offer the following remarks on para I of the Superintending Engineer's letter; paras I to 5 of the Executive Engineer's letter are also communicated to me, but I am not asked for any remarks on these - so offer none.

2. The Superintending Engineer would like to know exactly what the Dy. Examiner means and what course he would wish to be pursued under the circumstances, the circumstances being I presume those set out in the Executive Engineer's remarks on the Inspection Report published in G. O. No. 2391 W. dated 21st. September 1886.

3. The Dy. Examiner drew particular attention to Rule 5 on Form M. 3, and pointed out that no cheque should be drawn until it has to be paid away - In my forwarding letter I drew attention to the impropriety of drawing cheques regardless of when they would have to be paid away, pointed out that one cheque was drawn nearly a month before it was paid away and two cheques drawn in June and July had not been paid

away at all up to the end of August, and that consequently the accounts for May, June and July were not based on facts. Further, in his Treasury Balance Certificates the Executive Engineer must have entered these cheques as "uncashed" while they were not even issued for encashment.

4. The Executive Engineer apparently forwarded copy of my No. 124 S.E. 3rd. of 11th. October last - I enclose his No. 1173 of 4th. Idem in original (to be kindly returned) to which mine replied.

5. I don't think I need do more than refer you to

G. O. No. 1477 W. dated 11th. June 1886
Code paras 1629, 1912, 2095, 1049
G. O. No. 1006 W. dated 17th. April 1886 para 2.
G. O. No. 1340 W. dated 29th. May 1886, last para on page 8.

I have the honor to be,

Sir,

Your Most Obedient Servant.
