

6TH NOVEMBER 1886, No. 1158, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 25th October 1886, No. 3018.

Gazetted Audit Department.

The Treasury Officer, Nilgiri, with reference to mileage for 34 miles between Ootacamund and Mettupálaiyam having been allowed by this office under section 4, Appendix B, Part II, Civil Travelling Allowance Code, enquired whether that scale is of general application or limited to officers required to accompany Government, because since he received the Executive Engineer's certificate, dated 9th July 1886, attached to the Rev. N. Platt's travelling allowance bill, he had passed mileage for 32 miles only.

2. I referred the point to the Executive Engineer, who informs me that "the distance, as recently measured by the department, is 32 miles."

3. In these circumstances, I request that I may be authorized to treat the distance as 32 miles in all cases, notwithstanding the entries in column 2 of the table in paragraph 4 of Appendix B, Part II, of the Civil Travelling Allowance Code.

ORDER—dated 6th November 1886, No. 1158, Financial.

The revised measurement, 32 miles, should be adopted in all future bills.

(True Extract.)

H. E. STOKES,
Ag. Chief Secretary.

To the Accountant-General.
