Examinations for Public Service.

Stating that the Board's interpretation of G.O., No. 482, dated 28th July last, regarding the date from which the operation of the new rule, both as regards men not yet in Government employ and men already in the public service, will come into force, is correct.

READ—the following paper:—

Proceedings of the Board of Revenue, dated 24th September 1886, Mis. No. 7168.

Read—the following letter from G. STOKES, Esq., Acting Collector of Cuddapah, to the Secretary to the Board of Revenue, dated Cuddapah, 10th September 1886, No. 770:—

Referring to paragraph 2 of G.O. (Educational), No. 482, dated 28th July last, I have the honor to state that in the final sentence it is stated that unpassed officers now in service will not be eligible for promotion to posts carrying a salary of Rs. 15 per mensem until they have qualified by the tests. In the penultimate sentence of the same paragraph it is laid down that no person shall be appointed to any post carrying a salary of Rs. 15 a month or upwards, until he shall have passed the tests. The Sub-Collector asks whether the restriction contained in the last sentence is not intended to come into effect after 1st July 1887, as it gives an unfair preference to outsiders if the ineligibility for promotion is to attach itself at once to Government employes now in service. I consider that the period of grace allowed applies alike to Government officers now in service and to outsiders, and beg to ask whether my view is not correct.

Resolution—dated 24th September 1886, Mis. No. 7168.

Submitted to Government for orders. The Board presume that the operation of the new rule, both as regards men not yet in Government employ and men already in the public service, will not come into force until July 1887.
