outlay for the entire year under permanent Establishment will be about Rs. 20,00,000 but on this subject, a further report will be made later on. It will be sufficient to state that there are savings enough under permanent Establishment to cover deficits under temporary Establishment.

Recd. 1-9-86

3. I beg to bring to notice that I estimate the grant under temporary Upper Subordinate, Lower Subordinate, petty and Office Establishments will be exceeded by Rs. 20,679 as per margin. A reappropriation of funds to meet this excess as also to provide for any additional temporary Establishment which may be contemplated will have to be made.

The details of budget grant including the modification of funds sanctioned up to date amount to Rs. 24,48,825 as per annexed statement. Deducting from this amount, the sum of Rs. 3,20,000 on account of temporary Establishments, the budget grant for permanent Establishment inclusive of provision for Travelling Allowance and Contingencies may be taken at Rs. 21,28,825.

2. Some of the Establishment Travelling Allowance bills for September 1886 and Contingent bills for October 1886 have not as yet been received and audited. The audits under all heads under permanent Establishments to end of September 1886 i.e. for the first six

of the year amount to Rs. 9,77,164. Basing my calculations on this and making provision for unforeseen contingencies, the total outlay for the entire year under permanent Establishment will be about Rs. 20,00,000 as already reported against a grant of Rs. 21,28,825. A sum of Rs. 50,000 may therefore be safely transferred for expenditure on works, if considered necessary by Government.

Sir,

Enclosure.

with C.E.s 8856 with D.

I have the honor to acknowledge receipt of your Memo: No 32660, dated 24th September 1886, and in reply to state that after a careful review of the existing allotments to the several works in this Division under Provincial I find that I am unable to surrender any portion of the grant assigned to this Division. On the other hand I beg to state that I stand in need of funds under Minor Original works Civil Buildings for which the amount allotted during the year is Rs 3395 and the amount spent to end of September 1886 is Rs 4507. The difference Rs 1112 is the amount spent in excess owing to the unforeseen works which were recently sanctioned

and

and executed, as they were urgently needed for other Departments. I therefore request that you will be good enough to allot, an additional fund to the extent of Rs 1500 from the Provincial reserve.
