SIR,

With reference to G.O. No. 2430 W dated the 22nd September 86. I have the honor to report that the work "Completing the Post Office at Bha. drachellum" was not shown by the Godavari Eastern Division Officer in his statement of demands of incomplete works and so the work did not appear in the levied statement of demands.

* See his report No. 503 dated the 22nd October 86 herewith.

2. The Division Officer reports that the omission arose from a misleading report made to him by his Sub-Division Officer, Supervisor

Mr. Traish.

3. The required allotment of Rs 524 has been given for the work in G.O. No 2461W dated 20th October 1886.

In reply to your No. 1613 G.O. 4-10-86, I have the honor to state that the omission of the Bhadrakhera Post Office from the statement of demands submitted on the 8th May 86 arose from a misleading report made to the Office.

When no more allotted in

JK

March last urgent orders were
sent to the S. L. D. Officer to
finish off the work which had
been in progress for a consider-
able time at once & pay up
all arrears. In his Progress
Report under date 28th March
the S. L. D. Officer noted "Work
completed; completion certi-
ficate will be sent in". The work
was consequently reported complete
though some reflection might have
shown that it could not be
completed for the amount expended.

Attention however was not
drawn to this until the S. L.
D. Accounts for May were
received as no expenditure had
been incurred in May.

Yours very truly
