ENCLOSURES.

Subject.

States that as the services of Overseer Muthusamy Anubam and Mr. Hickin have been dispensed with Surgeons J. Venkataraman and S. R. Narayana Subb are recommended for the vacant posts, and propose that the pay of Overseer Ananda Rao may be raised from Rs 60 to 80.

Note.

As the temporary establishment of Upper Subordinates is at its full sanctioned strength, no further appointments can be made to it.

The Tank Maintenance Scheme is only entitled to 24 upper Subordinates and it has at present 23.

The deficiency will be made up by transferring a temporary Overseer (C. Appaswami Aiyar) from Coimbatore to No. 1 Tank S.

The IV Circle has 28 Upper Subordinates against a sanctioned scale of 25 and can therefore best spare one subordinate. Only 2 upper Subordinates were allowed to IV + V Circles. Even if the usual number (2) of upper Subordinates are allowed for Tank work, there will still be sufficient to meet all the requirements of the IV Circle.

The recommendation made on behalf of Overseer Ananda Rao will be noted.
