ORDER—dated 29th May 1885, No. 1253 W., Public Works.

In the resolution embodied in the proceedings above quoted, the Government of India point out the necessity for curtailing expenditure from Provincial funds, and a report is called for showing what reductions of grants are possible.

2. The statement annexed to these proceedings, compiled from reports received from Superintending Engineers, shows that, out of the allotments provided in the budget for new works, a sum of Rs. 2,91,053 is available for surrender. This statement will be communicated to the Financial Department, and, until receipt of further orders, Superintending Engineers will see that no expenditure is incurred on the works detailed therein.

3. The reserve with Government for incomplete and minor works, and for unforeseen contingencies, amounts to the comparatively small sum of Rs. 1,18,930; and the amount reserved for repairs is Rs. 2,24,175. It is not probable that any surrender will be feasible under the above heads; but should any reduction be found possible, a further report will be made to the Financial Department.

An estimate amounting to Rs 2,700 was sanctioned for the additional shed to the Town Police Station at Kumbakonam. A sum of Rs 2,700 was allotted for the work in the budget for 1885-86 but under the Restrictive Order a sum of Rs 2,197 was subsequently released. Vide (O No 1253) of 9-5-85, leaving a net grant of Rs 503 for that year. Against this reduced grant, Rs 440 is recorded in the acct as having been spent in that year and as it is represented by the Secy the work was suspended for want of funds & it is now proposed to be recommenced. The proposed transfer of funds is therefore submitted for sanction.

we have received no orders from the Finl Dept stopping outlay from the grants given in V. No 1650 W of 30.6.86, & expenditure has gone on without interruption. The sum of Rs 50,000 given in that order under Reserve has all been distributed, & we have not been asked to give any account of the money -

It is submitted therefore that in the absence of orders to the contrary, it is within the competence of this Dept to transfer to other works, any funds which may become available from the grants given in 1650 W.

The allotment of Rs 1000 now proposed will probably complete the work on the Kumbakonam Police Station.

I think it is advisable not to transfer funds to other orders are received
