SIR,

With reference to your memorandum of 4th Dec 3^d August 1886, I have the honor to forward written testimonies from relatives and friends as per margin produced by Local Superintendent Abdulla Saib.

2. In these statements the date of Abdulla Saib's birth is given as 5th November 1861, and he was only 23 years and 11 months old on the date of his

entry into the Civil Service. His original statement to the effect that he was 24 years and 11 months must be an error due to his not having consulted his friends on that occasion.

3. The evidence now adduced seems sufficient to establish the date of his birth as 5th November 1861.
