

Confir

2. Changes of Sub Magistrates some officer appointed would not occupy the building as the Sub Magistrate before him in occupation was of a lower caste than himself, and the building was for some time unoccupied.

ad H. The District Magistrate then appropriated the use of the building for the Apotheary and it was a long time before the building could be again got as the Sub Magistrate's dwelling.

the S. Either when occupied by the Apotheary or during the occupation of a Sub Magistrate the rental was fixed at Rs. 5 (five) a month, but when this was done, I cannot find out.

6. However the rental has been overlooked for some time, by the constant changes in occupation.

7. The rental of Rs. 5 a month is as much as a Sub Magistrate could afford. The Inspector of Police has quite as good quarters and he does not pay a rental of more than Rs. 3 a month.

8. Should I be able to find any orders

orders passed as regards the rent, I shall forward such, perhaps some information might be got at the Anzoor Office.

Sir,

With reference to P.W. Department Notification No. 9 dated 26th. January 1886 published in Part I of the Fort Saint George Gazette, dated the 27th. Idem, reverting Mr Bell from Executive Engineer 2nd. Grade sub pro tem, to Executive Engineer 3rd. Grade, for the period from 17th. to 31st. July 1885, I have the honor to report that a sum of Rs. 70-15-6 will have to be recovered from that Officer, being the amount of excess pay and subsidiary leave allowances passed to him for the period from 17th. July 1885 to 7th. August 1885 at Rs. 100 per mensem. The reversion now ordered has also reduced the rate of his furlough allowance by Rs. 0-6-6 per mensem, and if Government approve, the total amount overpaid will be recovered in India after his return to duty, which will obviate the necessity of submitting an amended Final Last Pay Certificate for Mr. Bell, who is drawing his leave allowances in Melbourne - Victoria - Australia.

I have the honor to be,
Sir,
Your Most Obedient Servant.

The Superintending Engineer
Fourth Circle.
