GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

From H. P. GORDON, Esq., President, District Board, South Arcot, to the Acting Chief Secretary to Government, dated Cuddalore, 30th November 1885, No. 75 :—

I have the honor to submit herewith the Budget Estimate of the South Arcot district for the official year 1886-87, accompanied by the following statements :—

(1) No. III-A, B and C, showing the Details of Allotments for Public Works for 1886-87.

(2) No. IV, showing the Receipts and Charges of Local Fund Schools for 1886-87.

(3) No. V, showing the Details of Charges in Local Fund Hospitals and Public and Charitable Institutions for 1886-87.

(4) No. VI, showing the Details of Sanitary Expenditure for 1886-87.

(5) No. VII, showing the Receipts and Expenditure on account of Endowments for 1886-87.

(6) No. IX, Revised Estimate for 1885-86.

(7) No. IX-B, Statement showing the Budget Grant, with subsequent additions, alterations, &c., for 1885-86.

(8) No. X, List of Fixed Establishment in 1886-87.

2. The budget and the several statements accompanying it have been prepared in accordance with the rules printed as an appendix to G.O., dated 14th September 1885, No. 728 L.F., Financial.

3. A Committee of the District Board, consisting of the gentlemen mentioned in the margin, was appointed to frame the budget, the details of which were discussed and determined at a special meeting of the Board convened for the purpose on the 14th instant; copies of the proceedings of the Board passed at this meeting and at another held on the 28th instant when the budget was passed, are enclosed for the information of Government.

1. M.R.Ry. L. A. Swami Aiyar Avargal, Rao Bahadur, Vice-President.
2. M.R.Ry. P. Venkatarama Aiyar Avargal, Rao Sahib, Deputy Inspector of Schools.
3. M.R.Ry. T. Seshachalam Naidu Garu, Rao Sahib, a non-official member of the Board.

REVISED ESTIMATE FOR 1885-86.

4. The preceding year (1884-85) closed with the undermentioned balances as advised by the Accountant-General :—

		Actuals.			Budget Estimate for 1885-86.		
		RS.	A.	P.	RS.	A.	P.
I. Road Fund	—	28,260	13	7	..		
II. General Fund	+	28,795	10	6	15,230	0	0
III. Endowment Fund	+	1,873	9	9	990	0	0
	+	2,408	6	8	16,220	0	0

5. These balances have been taken as the opening balances of 1885-86. During 1884-85, the district communications suffered very great damage from floods, and a large expenditure was incurred in their repair. The amount of land-cess collected during 1884-85 was, for reasons arising from flood damages, considerably less than the estimate. Hence the deficit balance under Road Fund. The opening balance under General Fund has exceeded the original estimate by Rs. 13,565, which is due to short expenditure under Grants II and III and to larger receipts under "School-fees" during 1884-85. In the case of some endowed choultries, the expenditure exceeds the receipts, and the deficit was made good by a contribution from the general revenues under instructions from the Accountant-General. This course had not been adopted in preparing the budget estimate and regular estimate of 1884-85, the surplus receipts on account of some choultries having hitherto been applied to make good the deficits appearing against others. Hence the increased opening balance under "Endowment Fund."

6. The figures of the revised estimate for 1885-86 are contrasted below with those of the budget estimate :—

RECEIPTS.		EXPENDITURE.	
Budget estimate.	Revised estimate.	Budget estimate.	Revised estimate.
RS. 2,95,590	RS. 3,69,796	RS. 2,74,195	RS. 3,38,970
Increase	74,206	...	64,775
Decrease	...	...	...

The increase in the receipts is chiefly due to the larger amount of land-cess expected to be realized during the year in consequence of short collection in the closing months of 1884-85, to the collections of the newly-imposed tolls, and to the special grant of Rs. 20,000 from Provincial Funds sanctioned in G.O., dated 9th July 1885, No. 433 L.F., Financial. The increased expenditure is due to larger allotments made for the repair of the damaged communications.

7. Under Land-cess, credit has been taken for a sum of Rs. 2,58,700 which forms but 80 per cent. of the demand including arrears. "This percentage was adopted," the Committee state in their report, "after mature consideration and after taking into account the percentages of collection obtained during the past six years which were as follow :—

	PER CENT.
1879-80—Cuddalore circle	... 67
" —Vriddháchalam circle	... 58
1880-81—South Arcot circle	... 59
1881-82— Do. do.	... 65
1882-83— Do. do.	.. 79
1883-84— Do. do.	... 78
1884-85— Do. do.	... 72

It will be observed from the above figures that the highest percentage reached was only 79 per cent., and we do not consider, therefore, that it would be safe to expect more than 80 per cent."

8. I have issued very stringent instructions in the matter of the collection of Government dues in the current fasli and taken special precautions that a due proportion is credited to land-cess. Pending the result of these instructions, the estimate of the Committee may be accepted; but I trust to be able to improve the percentage. The fluctuations in the other items of receipts and expenditure are explained in the revised estimate.

9. The revised estimate closes with a balance of Rs. 30,820, which is taken as the opening balance of 1886-87.

BUDGET ESTIMATE OF 1886-87.

10. *Receipts*—1 (*a*) *Cess on land*—The collections under this item are estimated at Rs. 2,46,800, which amount has been arrived at in the following manner :—One-eighth of the demand for Fasli 1295, *plus* seven-eighths of that for Fasli 1296, including arrears, fall due during the year. The demand for Fasli 1295 being Rs. 2,43,800, 80 per cent.* of this and of the arrear demand of Rs. 64,617 expected to be collected within the year will amount to Rs. 2,46,782, or Rs. 2,46,800 in round numbers.

* *Vide* my remarks in paragraph 8 above.

11. *Tolls.*—The increase under this head is estimated at Rs. 51,200, *i.e.*, Rs. 50,000 from the Local Fund tolls and Rs. 1,200 from the Chidambaram Municipality. No contribution is expected from the Cuddalore Municipal tolls with reference to G.O., dated 31st July 1885, No. 343 M., Financial.

12. *School-fees.*—A sum of Rs. 12,430, as specified below, is expected from school-fees against the budget estimate of Rs. 12,000 in the current year. The difference is small and calls for no remarks :—

—	Middle schools.	Elementary schools.	Normal schools.	Total.
	RS.	RS.	RS.	RS.
1. Cuddalore range	1,960	1,685	...	3,645
2. Vriddháchalam range	2,290	1,255	...	3,545
3. Tirukoilúr range	2,750	950	60	3,760
4. Tindivanam range	500	980	...	1,480
Total ...	7,500	4,870	60	12,430

13. (3) *Medical—(e) Miscellaneous, Rs.* 228.—This consists of the rent expected from the Police Department on account of the police wards in the Tiruvánnamalai dispensary and of the house-rent from the Civil Apothecary in charge of the Local Fund dispensary at Vriddháchalam.

14. (5) *Miscellaneous—(b) Choultry rents, Rs.* 309.—The lands forming the endowment of the choultry at Manalurpet have been leased out for an improved rent of Rs. 200. Hence the increase in this item over that of the budget estimate of the current year.

(*a*) *Contribution from private individuals, Rs.* 150.—This is the usual contribution made in recent years by the Devastanam Committee on account of the sanitary arrangements during the Kartigai festival at Tiruvannámalai.

(*b*) *Sundry receipts, Rs.* 200.—A sum of Rs. 200 is expected from the sale-proceeds of the sweepings of the towns and villages where scavengering establishments are working.

15. (6) *Public Works—(f) Miscellaneous, Rs.* 240.—This is the rent expected from the Cuddalore Municipality on account of the Local Fund Engineer's office partly occupied by them.

16. (7) *Contribution from Provincial—(c) Public Works, Rs.* 37,129.—Credit has been taken as directed in G.O., dated 12th September 1885, No. 726 L.F., Financial, for a sum of Rs. 37,129 which His Excellency the Governor of Pondicherry has stated to be one-half of the probable expenditure within 31st March 1887 on the reconstruction of the Chunambar bridge. The other items call for no remarks. The

total receipts amount to Rs. 4,02,397 against Rs. 3,69,796 in the revised estimate for 1885-86, showing an increase of Rs. 32,601.

17. *Expenditure.*—Provision is made in the budget for an expenditure of Rs. 3,49,984 under the several grants as specified below, besides the retention of a reserve amounting to Rs. 40,200 :—

		Rs.
Grant	I	
Do.	II	2,19,479
Do.	III	59,645
Do.	IV	60,406
		10,454
	Total	3,49,984

18. The items of expenditure under Grant I calling for special notice are the following :—

	Rs.
I. New Works	1,200
II. Repairs	1,50,532

19. When the details of the budget were discussed at the special meeting held on the 14th November, the Board resolved to devote all their available funds towards restoring the damaged district communications to their normal condition, except a sum of Rs. 1,200 required for the erection of a dispensary building at Chengam. The minor dispensary established at this place under the order of Government noted in the margin is now located in a rented house in the heart of the town. The owner of the house is unwilling to let it any longer to the Board. Hence the necessity for a separate dispensary building at this place for which the necessary plan and estimate are under preparation.

G.O., Financial, No. 2350, dated 15th October 1883.

20. The provisions for " Repairs " are as follow :—

	Rs.
I. Communications	1,46,767
II. Civil buildings	545
III. Miscellaneous public improvements	3,220
Total	1,50,532

21. Items II and III relate to the usual repairs to the hospital buildings, schoolhouses, bungalows, choultries, and to the maintenance of avenues.

22. Out of the sum of Rs. 1,46,767 provided for the repair of the communications, Rs. 1,09,880 relate to the ordinary maintenance of the roads, Rs. 36,787 to the special repairs of the roads damaged by the floods, and Rs. 100 to the hire of boats in the Ponniar on the road to Pondicherry during the occasions of freshes in the river.

23. A sum of Rs. 3,23,454 is still required, as specified below, to restore the communications under the charge of the District Board to their condition previous to the floods of December 1884 :—

	Rs.
1. Repair of flood damages to roads (balance of estimates already sanctioned)	63,454
2. Ponniar bridge	1,80,000
3. Coast-road bridge	12,000
4. Mallatar bridge	30,000
5. Veeranam channel bridge	8,000
6. Ongur bridge	30,000
Total	3,23,454

The Mallatar bridge (No. 4) may not be necessary if the Koriar embankment sanctioned in G.O., dated 5th August 1885, No. 679 I., is constructed. In addition to the sum specified above, a further sum of Rs. 85,720 (being the balance of the amounts of estimates already sanctioned) is required for remetalling some of the main roads, the

metal on which has not been renewed since their construction some thirty years ago. Under these circumstances, I have respectfully to request that Government will be pleased to take into their favorable consideration the claim of this district for the further assistance promised in G.O., dated 9th July 1885, No. 433 L.F., Financial. Having regard to the condition of things above detailed, the Board have been unable to recommend the total or partial abolition of the tolls introduced throughout the district under G.O., Financial, dated 17th March 1885, No. 582, Mis.

24. *Grant II.*—A sum of Rs. 59,645 has been provided against Rs. 58,315 in the current year's budget. The allotments under "(*a*) Inspection, and (*e*) Results grants" are the same as in the current year. A teacher on Rs. 12 is provided for the practising class attached to the Tirukoilúr Normal school. The Deputy Inspectors recommended the revision of the scale of salaries of the masters of the Middle schools transferred to the Board last year, but the Board not being in a position at present to estimate the financial effect of the proposed scale of salaries, have entered it in the budget *provisionally* and subject to their future approval of the scale. The Deputy Inspector of Schools, Tirukoilúr, recommended the appointment of an additional teacher on Rs. 40 to the Middle school at Kallakurchi on the ground that the school is teaching up to the Middle School examination standard. The increased establishment has been included in the budget to meet the contingency of the grade of the school being raised on the result of the ensuing Middle School examination being known.

25. *Grant III—(a) Hospitals and Dispensaries.*—The Civil Apothecary in charge of the dispensary at Kallakurchi (S. Muthusawmi Pillai) becomes entitled to the increased allowance mentioned in the margin on the 1st July 1886. The compounders of the dispensaries at Tindivanam and Tiruvannámalai become entitled to the increased allowance of Rs. 15 each on 1st April 1886, as they then complete seven years' service. Provision has been made in the budget for Rs. 574 on account of the Zillah Surgeon's office establishment and contingencies against Rs. 520 in the current year's budget. The small increase is due to provision having been made for the travelling* allowance of the clerk and one peon of the District Surgeon.

	Rs.
Pay	75
Charge allowance	50
Total	125

* G.O., dated 27th September 1883, Mis. No. 2164, Financial (Board's Proceedings, No. 3061, dated 12th October 1883).

	Rs.
† 1 Deputy Inspector	70
1 Do.	40
5 First-class Vaccinators, on Rs. 18 each	90
3 First-class Vaccinators, on Rs. 15 each	45
17 Second-class Vaccinators, on Rs. 10 each	170
2 Peons, on Rs. 7 each	14
Total for the month	429
	12
Total for the year	5,148

	Rs.
Fixed charge	5,148
Batta to the Deputy Inspectors	444
Vaccine instruments	50
Contingencies including batta to vaccinators performing more than the prescribed number of successful cases	508
Total	6,150

26. *Vaccination.*—The allotment under this item is Rs. 6,150† against Rs. 5,850 in the current year's budget. The increase is due to provision having been made for the pay of the additional second-class vaccinator sanctioned for the Kallakurchi taluk (G.O., dated 1st June 1885, No. 236 L.F., Mis.), and also for batta to vaccinators performing more than the prescribed number of successful cases.

27. The other items of expenditure do not call for remarks.

28. *Grant IV.*—A provision of Rs. 10,454 has been made against Rs. 10,480 in the current year's budget. The items requiring notice under this head are :—

	Rs.
(*d*) (3) Printing charges	
(*d*) (4) Travelling allowance to non-official members	3,500

The provision under the former exceeds the grant of the current year by Rs. 1,500, which is due to the extra charge which will be incurred in printing toll-gate tickets. The current year's allotment under the latter (batta to non-official members) is Rs. 1,600, but no provision has been made for the next year as the District Board have in their Resolution, dated 26th September last, No. 13, resolved that the payment of travelling allowances be discontinued.

29. It may well be doubted, however, whether this disallowance can be maintained, unless indeed the attendance of gentlemen residing at a distance be dispensed with. The disallowance of these charges would seem to require from such gentlemen a sacrifice which those living nearer to head-quarters are not called upon to make.

30. A map of the district showing the roads and other Local Fund works accompanies the budget as required in paragraph 9 of the new budget rules.

31. The budget has been prepared so as to allow of the necessary funds being allotted to the proposed Taluk Boards and punchayets.

ENCLOSURES.

PROCEEDINGS of the District Board of South Arcot passed at a meeting held on Saturday, the 28th day of November 1885.

* * * *

No. 1. Read revised budget for 1885-86 and budget estimate for 1886-87.

Resolution.—Resolved that Rs. 100 be provided for the maintenance of hired boats on the Ponniar on the occasions of freshes in 1886-87, also Rs. 100 for the supply of pulleys to wells at Local Fund choultries, also Rs. 50 for clearance of pond at Víraperumanallúr; with these additions the budget estimates laid before the Board are sanctioned.

* * * *

PROCEEDINGS of the District Board, South Arcot, passed at a special meeting held on Saturday, the 14th day of November 1885.

* * * *

GRANT I.

No. 1. Read revised estimate for 1885-86 and the budget estimate for 1886-87, prepared by the sub-committee appointed for framing the budget estimate for 1886-87, accompanied by their report dated to-day.

Resolution.—Carried unanimously that the sum set aside for new works (viz., Rs. 20,000) be added to that provided for flood repairs, except a sum of Rs. 1,200 reserved for erection of a dispensary building at Chengam.

GRANT II.—*Education.*

No. 2. Read letter, No. 4458, dated 7th ultimo, from the Inspector of Schools, forwarding the budget estimates forwarded by the Deputy Inspectors and recommending that an allotment of Rs. 36 a year be made for prize books, and a similar allotment for library books for the 1st and 2nd grade Middle schools in addition to the allotment already proposed for class-books and maps.

Read also an allotment of Rs. 24 for prizes and Rs. 24 for library for the 3rd-grade Middle school (teaching up to the 5th standard).

Resolution.—The Board understand from the Deputy Inspector, Cuddalore Range, that provision has already been made in their budgets for prize as well as for library books. The additions proposed by the Inspector are not therefore sanctioned.

Resolved that the provision for Tirukoilúr Normal school for gymnastic apparatus be raised to Rs. 100, the grant proposed by the Deputy Inspector for Villupuram school being deemed sufficient, regard being had to the grant made in the current year.

No. 3. The seven Government Middle schools, which were transferred last year to the Local Fund Board, were ordered to be amalgamated with the primary schools. The Deputy Inspectors recommend that the scale of salaries of the Middle schools be revised as follows:—

Master.	Class in charge.	Salary.	
		Minimum.	Maximum.
		RS.	RS.
1. Head Master	Upper IV class	40	50
2. Second do.	Lower IV „	30	35
3. Third do.	III „	20	25
4. Fourth do.	II „	15	7½
5. Fifth do.	I „	10	15
6. Sixth do.	Preparatory B	7	10
7. Seventh do.	Do. A and Infant class.	6	8

Resolution.—The Board is not in a position at present to estimate the financial effect of the proposed scale of salaries. They will, however, pass the budgeted scale provisionally and subject to their future approval of the scale.

No. 4. The Deputy Inspector of Schools, Vriddháchalam, recommends that the pay of the Vriddháchalam peon and the contingent allowance be raised from Rs. 4 and 2 to Rs. 5 and 2½, respectively.—*Not carried.*

He also recommends that the salaries of the master of the Srimushnam school be raised from Rs. 8 + 3 and Rs. 6 + 2 to Rs. 12 + 5 and Rs. 8 + 3.—*Not supported.*

No. 5. The Deputy Inspector of Tindivanam recommends that the results school which now forms a feeder to the Middle school at Tiruvannámalai be amalgamated with the latter, and two additional teachers appointed.

Resolution.—The Board is not prepared to sanction the amalgamation until they have had experience of the result of this arrangement in other schools.

No. 6. The Deputy Inspector, Tirukoilúr Range, recommends that an additional teacher on Rs. 40 per mensem be appointed to the Middle school, Kallakurchi, and that the pay of the peon of that school be raised to Rs. 5.

Resolution.—The Board will include the increased establishment in the budget to meet the contingency of their raising the grade of the school on the result of the Middle School examination being known.

GRANT III.

No. 7. The Sub-Collector recommends that Rs. 40 be provided for the purchase of two kerosine lanterns, oil, &c., for lighting the Rajakulam and Theerthakulam tanks at Tindivanam.

Resolution.—The Board does not consider the provision of lights necessary at these tanks.

No. 8. The Tahsildar of Tiruvannámalai recommends that Rs. 700 be provided for repairing the town roads of the kasba in addition to the provision of Rs. 200 made by the Engineer.

Resolution.—Resolved that the allotment for the town roads be increased from Rs. 200 to Rs. 300.

No. 9. The Tahsildar of Villupuram recommends that a maistry on Rs. 15 per mensem be appointed for the whole year to supervise the execution of sanitary works.

N.B.—There are only thirteen sanitary works.

Resolution.—The Board sanction the employment of a maistry for six months, at Rs. 12 per mensem.

No. 10. The Deputy Collector, General Duties, recommends the provision of Rs. 74 for erecting a lamp post at Tirukoilúr and Kallakurchi.

Resolution.—The Board is not prepared to sanction any further expenditure in this direction at present.

No. 11. Read letter, dated 8th instant, from Member M.R.Ry. C. Ramasami Pillai Avargal, Rao Sahib, requesting that a scavengering establishment be sanctioned for Tiruvendipuram.

Resolution.—Resolved that the scavengering establishment at Víraperumanallúr, which is reported not to be appreciated or to find sufficient occupation at that place, be transferred to Tiruvendipuram.

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 19th January 1886, No. 356.

I have the honor to submit the following remarks on the educational portion of the budget estimate of the Local Funds of the South Arcot district for 1886-87.

2. *Receipts.*—The educational assets, including one-sixth land-cess, are estimated at Rs. 62,960. The estimates under Provincial grants and School fees may be accepted.

3. *Charges.*—The expenditure proposed under Grant II aggregates Rs. 59,645 against Rs. 58,315 in the current year's budget as particularized hereunder :—

	1885-86.	1886-87.
	RS.	RS.
Inspection	2,370	2,370
Training Schools	5,690	6,128
Local Fund Schools	31,815	32,872
Results Grants	17,000	17,000
Miscellaneous	1,440	1,275
Total ..	58,315	59,645

4. *Inspection.*—Under "Inspection," the current year's figure is repeated. The grant will suffice.

5. *Training Schools.*—There is an increase of Rs. 238 in the allotment for salaries of masters, of which Rs. 144 represent the pay of a teacher to be provided for the practising branch of the Tirukoilúr normal school. The balance of the increase has not been explained.

6. *Local Fund Schools.*—For the upkeep of the secondary and primary Local Fund schools, Rs. 32,872 are allotted against Rs. 31,815 in 1885-86. The excess is chiefly intended to meet the additional cost to Local Funds from a revision of the scale of salaries of the masters of the middle schools transferred to the board in 1884. The grant may be allowed to remain, but in any revision the board should carefully see that the *net* cost to them is in no way increased, as it will otherwise amount to the diversion of funds available for primary to secondary education—a measure at direct variance with the recommendation of the Education Commission. A reference to statement IV shows that in the case of some schools the attendance is much more below 20. Schools having a poor attendance should be removed to other localities where there is a fair chance of their becoming successful and permanent. The Villupuram practising school and Thanipadi primary school seem to require the employment of an additional teacher, while two teachers are certainly not required for the Kachirayapaliyam primary school with only 18 pupils.

7. The assignments for "Results grants" and "Miscellaneous" charges call for no remark.

From M. C. FURNELL, Esq., M.D., F.R.C.S., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 22nd January 1886, No. 33.

I have the honor to state that the provision made in Grant III of the budget estimate of the South Arcot district for the year 1886-87, for the maintenance of the dispensaries, is sufficient and calls for no remark, save in the item of "Medical Subordinates."

2. A sum of Rs. 530 is provided for the salary of the medical subordinate of the Chengum dispensary. It should be Rs. 360 * being the three-fourths of the pay and charge allowance of the 3rd-class hospital assistant now attached to the institution.

	RS.
* Pay	25
Charge allowance ..	15
	40 × 12 = Rs. 480
Three-fourths of Rs. 480 =	„ 360.

From Deputy Surgeon-General G. BIDIE, M.B., C.I.E., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Madras, 25th January 1886, No. 125.

I have the honor to report, for the information of Government, that a sum of Rs. 30,595, or 37·1 per cent. of available income, has been set apart by the District Board, South Arcot, for the sanitary requirements of the district for 1886-87, exclusive of the cost of sanitary inspection which amounts to Rs. 1,750. It may be accepted. The allotment will be distributed as follows :—

	RS.
Conservancy	11,008
Improvement of water-supply	16,187
Do. of village-sites	2,565
Fairs and festivals	835
Total ..	30,595

2. The vaccination grant amounts to Rs. 6,150 against Rs. 5,850 for the current year. It is ample, and the staff employed seems to be adequate.

ORDER—dated 5th June 1886, No. 616 L.F., Financial.

The following abstract shows the estimated Local Fund receipts and charges of the South Arcot district for the year 1886-87 as passed by Government :—

RECEIPTS.

(2) Balance under Endowments	..	2,570	2,570
Net balance available for general purposes	9,070	4,420	13,490

2. *Revised Estimate for* 1885-86.—The opening balance amounted to Rs. 2,408 against a budget estimate of Rs. 16,220, the decrease being due to a falling off in the collections under Land-cess in 1884-85 and to excess expenditure incurred on communications in consequence of the heavy floods of December 1884. Excluding this balance, the receipts were estimated at Rs. 3,67,388 against Rs. 2,79,370 in the budget, the increase being chiefly due to the collections in arrear expected under Land-cess, to the income expected from certain new toll-gates, and to the special grant from Provincial funds of Rs. 20,000 for the repair of communications sanctioned in G.O., Financial Department, dated 9th July 1885, No. 433 L.F. The charges were estimated at Rs. 3,38,970 against Rs. 2,90,775 in the budget, the increase being due to subsequent allotments for the repair of communications damaged by the floods of the previous year. The provision of Rs. 2,500, towards the contribution promised to the Chidambaram Municipality for the construction of the Palaman bridge, will be reduced to Rs. 1,500, and the balance of the contribution (Rs. 1,250) provided in the budget for 1886-87, so as to correspond with the entries in the municipal budget.

3. *Budget for* 1886-87.—The closing balance (Rs. 31,820) of the revised estimate will be adopted as the opening balance for 1886-87. Excluding this balance the receipts are estimated at Rs. 3,71,580 against Rs. 2,79,370 in the budget for 1885-86. The increase occurs under Land-cess, Tolls and Contributions from Provincial funds. The cess on land is expected to yield Rs. 2,46,800 against Rs. 2,37,460 in the budget owing to the existence of large arrears at the beginning of the year. The income from tolls is estimated at Rs. 51,200 against Rs. 7,000 in consequence of the opening of several new toll-gates. A Provincial grant of Rs. 37,130, representing one-half of the estimated expenditure on the Chunambar bridge (French territory), the rebuilding of which has been jointly undertaken by the Governments of Pondicherry and Madras, has been taken credit for by the district board, with reference to G.O., dated 12th September 1885, No. 726 L.F. The expenditure of the year is estimated at Rs. 3,87,340 against Rs. 2,90,775 in last year's budget, the increase occurring mainly under Grant I. No provision is made for new works under this grant except a sum of Rs. 1,200 for the construction of a dispensary at Chengam, for which an estimate of Rs. 1,540 was sanctioned in G.O., dated 24th March 1886, Mis. No. 349 L.F. The allotments for road repairs amount to Rs. 1,46,770 against Rs. 1,14,370 last year. Of this amount Rs. 36,787 are intended for special repairs to roads damaged by the floods of 1884. The President represents that further expenditure is urgently required, amounting to Rs. 63,500, for the repair of flood damages, Rs. 85,700 for the remetalling of main roads, and Rs. 2,60,000 for the reconstruction of bridges, and urges the claims of the South Arcot district to the further assistance promised in G.O., dated 9th July 1885, No. 433 L.F. The Government have already expressed their sense of the strength of the claim put forward, and they resolve accordingly to sanction a grant of Rs. 50,000 from the Provincial balance, to be expended in the first instance in the repair of flood damages. This will raise the receipts of the year to Rs. 4,21,580 and the expenditure to Rs. 4,37,340. The President is requested to explain for what purpose it is proposed to contribute Rs. 700 to Provincial funds under Grant I.

4. The allotment for education is Rs. 59,640 against Rs. 58,315 in the budget for 1885-86. The appointment of a teacher on Rs. 12 per mensem for the practising branch of the normal school at Tirukoilúr is sanctioned, and the attention of the district board drawn to the remarks of the Director of Public Instruction in paragraph 6 of his letter. Under Grant III the provision of Rs. 14,210 for hospitals and dispensaries will be reduced to Rs. 14,040 as suggested by the Surgeon-General, the contributions for the Medical College and Sanitary Inspection will be reduced to Rs. 1,740 each, being ·5 per cent. of the receipts anticipated in the revised estimate, and the hospital contribution payable to the Chidambaram Municipality will be reduced to Rs. 1,450, being the sum entered in the budget of that municipality. Under Grant IV the amount shown under Contribution towards the cost of controlling establishments at the Presidency should be Rs. 1,920, the actuals of 1884-85. The reserve of Rs. 40,200 provided in the budget will be reduced to Rs. 37,160, being 10 per cent. of the estimated receipts, and the balance raised to Rs. 16,060, which is nearly 5 per cent. of the estimated receipts.

5. In paragraph 31 of his covering letter the President states that the budget has been prepared so as to allow of the necessary funds being subsequently allotted to the proposed taluk boards and panchayats; but the receipts and charges have not for the most part been distributed as required by the budget rules between the district and taluk boards. A tentative distribution has accordingly been made in the abstract at the head of these proceedings, and this distribution will be adopted in the absence of reason to the contrary, the existence or non-existence of which should be reported for the information of Government.

(True Extract.)

E. F. WEBSTER,
Chief Secretary.

To the President, District Board, South Arcot.
" Chairmen, Municipal Councils, South Arcot district, through the Collector.
" Director of Public Instruction.
" Accountant-General.
" Surgeon-General with the Government of Madras.
" Sanitary Commissioner for Madras.
" Revenue Department.
" Public Works Department.
" Board of Revenue.

Exd. T. O'Connor.

APPENDIX.

G.O., 5th June 1886, No. 616 L.F.

Rc 1690 dy 3-7-86

JUNE.

S.E.D.b
Exer P.W. Accts

Local Fund Budget.

Reviewing the — of the South Arcot district for 1886-87.

With order.

P.W. Dept

Memorandum.

The undersigned has the honour to state that in consequence of the reduction by four lakhs of the Provincial assignment for Public Works for 1886-87, under Civil Buildings Roads and Services, the works enumerated in the annexed list (all or most of them of importance) were omitted from the

& G.O. Financial
No 170 dy 22nd Feby 1886.

a large number of works for which funds were provided in the preliminary issue of the Budget were omitted from the final issue

final issue of the Public Works Provincial Budget for 1886-87.

2. If additional funds are now available in the Financial dept., it is requested that such sum as can be spared may be reassigned to the P.W. Dept for allotment to such of the works ~~as are of the greatest urgency~~ enumerated in the annexed list.

3. For the following works, estimates have not yet been sanctioned, the undersigned is anxious that the Government attach great importance to their early commencement, and if possible, it would be desirable to reserve for them the amounts stated below:—

(1) Collector's office, Cuddapah .... Rs 40,000

(2) New buildings for the Brooke Memorial School, Octacamund } .. 20,000

(3) Additions to the Madras College of Engineering } .. 30,000

4. The addition of an Upper story to the Agricultural ~~School~~ College Saidapet (Estimate Rs 18,370) was entered

under Class B, without allotment, in the pre-liminary issue of the Budget, but its urgency has recently formed the subject of correspondence with the Financial dept and it is desirable that the full amount of the estimate may be allotted if possible.

The Financial dept

№ 2502 of June 15 1886.

P. W. D.

Memorandum.

The undersigned has the honour to state that, in consequence of the reduction by four lakhs of the Provincial assignment for Public Works for 1886-87, under Civil Buildings, Roads and Services, a large number of works, for which funds were provided in the preliminary issue of the Budget, were omitted from the

G.O. Financial № 170 of 22d. July 1886...

final issue.

2. If additional funds are now available in the Financial Dept^t, it is requested that such sum as can be spared may be reassigned to the P. W. Dept^t for allotment to the works enumerated in the annexed list.

3. For the following works, estimates have not yet been sanctioned, but the undersigned is aware that the Government attach great importance to their early commencement, and if possible, it would be desirable to reserve for them the amounts stated below:—

(1) Collector's office, Cuddapah ..... Rs 40,000

(2) New buildings for the Brooks' Memorial School, Octacamund } .. 20,000

(3) Addition to the Madras College of Engineering } .. 30,000

(4) Tahsildars Offices at Pattampatti — 10,000

(5) Do — at Bodinayakanur — 10,000

4. The addition of an upper story to the Agricultural College, Saidapet, (Estimate Rs 18,370) was entered under Class B, without allotment, in the

preliminary issue of the Budget, but its urgency has recently formed the subject of correspondence with the Financial dept., and it is desirable that the full amount of the estimate may be allotted if possible.

5. The reserve available for incomplete and minor new works is Rs. 1,52,595, while the demands received amount to over four lakhs. It is therefore proposed in the accompanying statement to strengthen the reserve by about half a lakh.

1st July 1886, No. 597, Financial.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper:—

From Major A. C. SMITH, R.E., Executive Engineer, Nílgiri division, to the Superintending Engineer, IV Circle, dated Ootacamund, 25th June 1886, No. 884.

In continuation of my No. 878, dated 25th June 1886, I have the honor to state that the following arrangements regarding the starting of the water-supply works, Ootacamund, will be made.

2. Tenders for the supply of piping, &c., will be called for at once, as already advised, and if these are opened on 9th August, there will be ample time for the supply of the material by the 28th February 1887. Amount estimated for these items is Rs. 85,996.

3. The following items will be carried out departmentally:—

	Amount proposed to be expended.	
	1886-87.	1887-88.
	Rs.	Rs.
Masonry duct	25,600	*Nil.*
Compensation	7,000	do.
Diversion drainage channel	1,000	do.
Fencing	4,500	do.
Enlarging bye-wash	2,400	do.
Service reservoir, Snowdon	8,250	do.
Catch channel do.	1,000	do.
Revetting bund	1,402	do.
Small catch drain	200	do.
Escape weir, Snowdon	200	do.
Gravelling	500	351
Bridge, Stover Cottage shola	500	*Nil.*
Clearing site	40	do.
Brick cisterns	240	do.
Yarn-packing	400	300
Pipe-laying	5,000	15,395
Petty supervision	3,000	2,000
Total	61,232	18,046

4. Of the above items, work will be commenced to-morrow on the service reservoir, Snowdon, and in a few days' time the masonry duct will be begun and pushed on to completion very rapidly, and all the other items with *Nil* against them in the 1887-88 column will be completed before 31st March 1887. Those items that will not be completed will be those in connection with the laying of pipes. As these will not be received much before 28th February 1887, only a commencement on the large 11″—8″ pipes will probably be made, but as the carrying to site will be included in the laying, Rs. 5,000 will probably be required for this item.

5. As, however, there may be a doubt on this point, and as probably all the compensation may not be required in this year, I propose to reduce the total Public Works Department expenditure by Rs. 9,232, so that this will leave Rs. 52,000 required for Public Works Department expenditure in 1886-87.

6. The estimated cost of piping is Rs. 85,996; but I hope this will be reduced by about Rs. 5,000; so that we may, at any rate, say only Rs. 82,000 will be required to pay contractors and delivery at Ootacamund before 31st March 1887.

7. Total amount required for the current year, 82,000 + 52,000 = 1,34,000, and the work will be completed easily by 31st March 1888.

8. I request that Rs. 34,000 may therefore be provided in the current year to meet the excess over the existing allotment of 1,00,000.

No. 885.

Endorsement on the above.

Submitted to Chief Engineer, Public Works Department, for information.

Ootacamund,
25*th June* 1886.

Current No. 6390

Letter No. 507

Dated the 16th August 86

From the Secy to Govt - Public Dept

NOTE OF REMARKS.

The accompanying plan and estimate, which are submitted to E.W. for remarks, provide for constructing a lions' cage in the People's Park, Madras. The estimate amounts to Rs. 5893 which includes the architect's fees, Rs. 280.

2. The proposed building is to be a flat-roofed, brick-in-mortar rectangular structure 51½ ft= long and 29½ ft= wide, outside measurements, and standing 18½ ft= high from ground level to top of parapet above roof. - It is to be divided into four dens - each of the two front dens is to measure 23½ ft= x 15 ft=, and each of the two rear 23½ ft= x 10 ft= - the height from floor to roof being 14 ft=. - The walls are, for the most part, to be pointed on both faces. The

roof is to be constructed of flat Jack cement concrete, 9 inches thick, laid on H iron joists, 1½ ft. apart, supported on rolled iron girders 7 ft. apart. The flooring is to be of 9 inches square bricks laid in cement. The necessary arrangements for doors and ventilators are made.

3. Subject to approval, the design under review cannot be termed a success as it is very improbable that the masonry cage constructed in strict accordance with it can ever be regarded as a 'model of its kind and a credit to the city'. — Viewed in front the effect produced is that in the attempt to ornament it the proposed structure is far too heavily over-loaded at top. — From five piers, 6 ft. high, four, somewhat massive, gothic arches are to spring, each of 7 ft. span, with their apices just reaching the upper cornicing of the walls, and from the parapet wall above, immediately over the larger spandrels between the gothic arches, two semicircular arches, each of 7 ft. span, are to rise. These two arches are shown as 4½ ft. wide between their front and back faces. The sense of over-weight in the upper portion of the frontage is further increased by filling in all the arches as well as the spandrels with dead masonry, even though coated with terra cotta — contrasted with the front the back and sides appear very bare of ornament. — Eight spherical terminals are provided.

4. The plan is not quite accurate in some minor details. — The rates are fair when the high quality of the materials and workmanship provided for is taken into consideration.

The design appears to be approved by the Ag. President of the Madras Municipality.

19/8/86

D.W.

(12)

Leaving the question of the architectural beauty of the building alone the following points may be noted.

The large openings in front are to be filled in with vertical 3/4" square iron bars with two cross bars 2 1/2" square through which the vertical bars pass. At the top the bars which is 6" length is built in will have a certain amount of bearing against the rolled beams carrying the filling in of the archway but apparently no provision is made for fixing the bottom ends of the bars except by their lower 6" being built into the masonry. The cross bars also are only built in for a length of 6" on either side.

Some stronger framing appears to be necessary.

The bars appear to be only 1 3/8" apart clear which seems too close.

The framing of the sliding doors seems strong enough but the 3/4" square bars are also only about 1 3/8" apart. This distance is not mentioned but is calculated from the number of bars allowed.

The proposed to drill holes for the 3/4" square bars though 2 1/2" square bars can be drilled & the only round holes can be drilled & the arrangement seems clumsy & costly.

The information given in the plan and specification is very meagre.

It is thought that complete detail drawings should be called for showing exactly how the gratings & doorways etc are to be fixed. so that it may be placed beyond doubt that there is no danger of the lions breaking loose.

The ventilation provided is I consider quite insufficient.

Ventilators might with advantage be provided both in front & rear & between the two front doors & the other in rear door & the other.

I do not think that bricks are at all suitable for flooring as they absorb the water & soon become foul. Concrete plastered with Portland cement would be better I think

20.8.86

Memo.

In returning the papers referred under Financial Dept endt No 507 of 16th August 1886 the undersigned has the honor to submit the following remarks:

2. Without detailed drawings of the gratings, it is impossible to judge if they are sufficiently strong. So far as can be ascertained from the papers submitted, the lower end of the vertical bars and the cross bars are only built 6" into the masonry. It is thought that ~~these should be strong iron frames and~~ the vertical bars should pass through the top and bottom of ~~this~~ a strong iron frame and be rivetted on the outside, ~~and that to~~ the frame, as well as the cross pieces, ~~should~~ be built at least 18" into the masonry.

3. The bars appear to be only 1 3/8" apart, which is far too close.

4 The ventilation does not seem to be sufficient. It is thought that concrete plastered with Portland cement would be better for the flooring, being easier to clean than brick.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From the Government of India, dated 29th October 1886, No. 3954.

ORDER—dated 22nd November 1886, No. 1211, Financial.

In the letter recorded above the Government of India confirm the sanctions, which have been given by the Madras Government, to the following grants from Provincial funds during the current official year :—

	RS.
Civil Buildings and Irrigation *	2,00,500
Ootacamund Water-supply Project †	35,000
Repair of flood-damages in South Arcot ‡	90,000
Cages in the Madras People's Park §	6,000

§ G.O., No. 921, 11th Sept. 1886, Finl., M.
‖ G.O., ,, 575, 26th June ,, ,,

2. In addition to these amounts, the Government of India accord their sanction to the grant of Rs. 1,00,000 which had been promised to the Madras Municipality for sanitary purposes. The amount will now be placed at the disposal of the President for expenditure on the drainage scheme.

3. His Excellency the Governor in Council is satisfied as to the urgency of the works for which grants have been assigned, and trusts that the money will be utilised to the best advantage.

4. It is observed with regret that the Government of India withhold their assent to the further additional expenditure of 5 lakhs of rupees on administrative improvements, which this Government were anxious to undertake during the current financial year. The projects which have been brought forward must therefore be held in abeyance for the present.

22ND NOVEMBER 1886, Nos. 1211, 1212, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From the Government of India, dated 29th October 1886, No. 3954.

ORDER—dated 22nd November 1886, No. 1211, Financial.

In the letter recorded above the Government of India confirm the sanctions, which have been given by the Madras Government, to the following grants from Provincial funds during the current official year :—

	RS.
Civil Buildings and Irrigation *	2,00,500
Ootacamund Water-supply Project †	35,000
Repair of flood-damages in South Arcot	90,000
Cages in the Madras People's Park §	6,000
Agri-Horticultural Society's Library ‖	1,000

* G.O., No. 573, 25th June 1886, Finl.
† G.O., ,, 597, 1st July ,, ,,
§ G.O., No. 921, 11th S... No. 616, 5th June 1886, L.F.
‖ G.O., ,, 575, 26th ... 600, 3rd July ,, Finl. — not Cont.
...l., M.
,, ... do-

2. In addition to these amounts, the Go... of India accord their sanction to the grant of Rs. 1,00,000 which had been ...nis the Madras Municipality for sanitary purposes. The amount will now be ...e the disposal of the President for expenditure on the drainage scheme.

3. His Excellency the Governor in Co... ...ied as to the urgency of the works for which grants have been assigned, a... ...at the money will be utilised to the best advantage.

4. It is observed with regret that the Go... ...nt of India withhold their assent to the further additional expenditure of 5 lak... ...bees on administrative improvements, which this Government were anxiou to... ...ake during the current financial year. The projects which have been brogh... ...ward must therefore be held in abeyance for the present.
