

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers :—

From P. V. LUKE, Esq., Chief Superintendent, Government Telegraphs, Madras Division, to the Secretary to Government, Public Works Department, dated Madras, 2nd January 1885, No. 6223.

With reference to the rules in Chapter VIII of Public Works Code on the subject of buildings, I have the honor to ask if all the undermentioned telegraph office buildings, belonging to Government, are duly borne on the books of the Public Works Department :—

Madras.	Tuticorin.
Ootacamund.	Bangalore.
Negapatam.	

2. It appears advisable that all these buildings should come under the rules for maintenance repairs by the Public Works Department, and, if any one of them is not on the books, I beg it may be duly brought on.

From the same Officer, dated Madras, 17th January 1885, No. 6580.

In continuation of my No. 6223, of 2nd instant, I have the honor to state that I am desired by the Director-General of Telegraphs to transfer the telegraph office building at Negapatam to the Public Works Department, and I shall be obliged by the necessary orders being given.

2. An estimate for the repairs of this building, amounting to Rs. 1,530, has been submitted by the Executive Engineer, Negapatam division, and, as the budget grant for repairs is at the disposal of the Local Government, I am returning the estimate to him, through the Superintending Engineer, VI Circle, with request that he will apply for the provision of funds in the usual course.

From the Superintending Engineer, IV Circle, dated 9th January 1885, No. 2 E.W.

No. 4507

From

THE SUPERINTENDING ENGINEER,

To

THE Chief Engineer
P. W. Department.

SIR,

Enclosure: /

In returning your Endorse-
ment N^o 720 dated 7th January
1886, I have the honor to report
that the Telegraph Office at
Vellore is borne on the books of
the P. W. Department for main-
-tenance.

I have the honor to be

Sir,

Your Most Obedt. Servt.

Henry Sandercock
Suptg. Engineer
5th Circle.

The claims, which he disallows, refer to month of July 1885; and the G.O. in question was received in this office only on the 27th October 1885, or 3 months later than the time to which the claims refer. He takes objection merely because the G.O. is a reiteration of the former instructions on the subject contained in G.O. No 98 W of 14th January 1884; but the claims were put forth in the bills of the respective Divisions and passed by him since January 1884, the date of issue of the G.O. till the receipt of the final one (G.O. No 2519 W of 26th October 1885). I would in the mean while inform you that similar claims are not as a rule claimed by the executive

Engineers, nor are they admitted by this office, since the receipt of the last mentioned G.O. and supposing the Examiner's objection is right in the present case, he should not have passed similar claims from the date of G.O. No 98 W of 14th January 1884.

2. Under these circumstances, I request that the Examiner may be authorized to pass the claim as an exceptional case, as the disallowance would deprive the clerks of what they are really entitled to before the receipt of G.O. No 2519 W dated 25th October 1885, and what had been passed and paid to them already.

3. I would request that the enclosed Disallowance list may be transferred to the Examiner on an order to this reference being issued by Government.
