It seems desir-  
-able that Govt  
should know  
exactly what they  
are asked to  
sanction - a general  
sanction such  
as asked for might  
cover more than  
was intended.

If you agree -  
will you kindly  
furnish the  
information or  
shall I endorse  
the letter back to  
you for it?
