Sir

In reply to your Endorsement No 2468C dated 14th July 1886, I have the honor to report as follows.

The Shed at Tadinada, in Gudwada Division was originally constructed by Messrs. Hannan and Whitely at their own cost and subsequently repaired by Mr. Allen.

2. The building is a thatched one, with mud walls. It has one center, and two side rooms, with a verandah.

3 Messrs. Whitely and Allen waive all rights of the building; but Mr. Hannan requests that he may receive Rs. 50 for his share of the expenditure incurred by him on the building.

4 As Tadinada is not easy of access, the Executive Engineer has recommended that the building may be taken over and repaired by

Government and permission to pay to Mr. Hannan Rs. 50 for his share of the building.

If the Government is satisfied that the "shed" is required for public purposes, there appears to be no objection to the payment of the compensation of Rs. 50 claimed by Mr. Hannan. It is presumed that the necessary title deeds will be obtained from the owners before the payment is made.

READ the following

From the Examiner P. W. Accounts H. E. No. 49 W dated 7th July 1886.
From the Superintending Engineer II Circle. No. 956 K. S. dated 10th Septr 1886.
From the Examiner P. W. Accounts. No. 466 of 30th September 1886.

The Superintending Engineer, II Circle, reports that a shed was constructed at Tadinada in the Gudivada division by Messrs. Hannan and Whitely and was subsequently repaired by Mr. Allen — that it is now proposed to bring the shed on the return of Government buildings — that Messrs. Whitely and Allen waive all rights in connection with the shed but that Mr. Hannan requests that he may receive Rs. 50 for his share of outlay on the shed. The Supdg Engineer adds that as Tadinada is not easy of access the

Executive

Executive Engineer has recommended that the building be taken over and repaired by Government.

2. Before passing final orders on the matter the Government desire that in accordance with para 1215 of the P. W. Code a valuation report may be submitted accompanied by a statement of the "public purposes" on account of which the purchase of the building is recommended by the Executive Engineer.

3. In submitting the matter for the orders of the Government the Supg: Engineer should have expressed his opinion as to whether the purchase of the building would be in the interest of the public service - as it is a thatched building with mud walls it would probably be a fruitful source of expense on account of repairs: this matter should rec[illegible]e consideration.

Enclosure 1.

Sir,

Adverting to G. O. No. 2610 W. of the 5th October 1886, I have the honor to forward herewith a Valuation report on the shed at Tadinada.

2. The public purposes on account of which the purchase of this building is recommended are (1) that it is necessary for the Officers of this Department to visit Tadinada at frequent intervals, and (2) that after the Canals are closed it is always difficult, and generally next to impossible to transport tents there on account of the Swamps on either side of the

Polraz Canal.

3. In my opinion it would be in the interest of the public service to take over the shed in question, and as regards the cost for the upkeep of it, the Executive Engineer reports that if the improvements proposed are carried out, the annual repairs for some years to come would be very trifling.

4. I may mention that there are several sheds of a similar description in the Kistna Western Division, namely at Intur, Nallavada, Kollur &c. and these require but little repair other than thatching every three or four years.

I have the honor to be,

Sir,

The shed is valued as it now stands at Rs: 100. It was originally constructed by Messrs Hannan and Whiteley, and the former officer asks that he may receive Rs: 50 as his share of expenditure on the building - the original cost of which is not stated, but is presumably Rs: 100. The Supg Engr unfortunately does not state how much the proposed improvements would cost - but shows that the building would be very useful to officers of the Dept. For orders whether it may be brought on the returns of the P.W.D. & Rs: 50 paid to Mr Hannan.
