READ—the following paper:—

From J. H. TAYLOR, Esq., Lieut., R.N.R., Port Officer, Madras, to the Chief Secretary to Government, dated Madras, 5th November 1886, No. 10476.

I have the honor to state that as the Armeghon lighthouse is situated in the Nellore district, and the Pulicat lighthouse in the Chingleput district, the cost of those establishments is debited against the Port Fund under the heads of those districts; but the lights in question not only indicate the proximity of danger, but are also intended as guides to vessels arriving at and leaving Madras, and consequently their cost should be fairly borne by the Port Fund, Madras. The Seven Pagodas lighthouse will, when completed, stand in the same relation to Madras as those lights, and its charges should also be debited to it. I beg therefore to recommend that the expenses of the Armeghon and Pulicat lights be ordered in future to be debited to Port Fund, Madras, and that all charges connected with the Seven Pagodas light be debited to the same head.

ORDER—dated 19th November 1886, No. 644, Marine.

The Port Officer's recommendations are approved and sanctioned.
