READ—the following letter from D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 9th December 1885, No. 8154 :—

In submitting the accompanying plan and estimate, prepared by the Executive Engineer, Vizagapatam division, for repairing the normal school-house at Vizagapatam and the fences of the compound, I have the honor to state that the Inspector of Schools who has forwarded them recommends that the estimate be sanctioned from Provincial funds.

2. It appears that the building was repaired some years ago, but the work having been done badly, it has been in need of repairs for some time. The school-house having been recently transferred to the district board, Mr. Bickle considers it fair that it should be put in good condition at the cost of Government. I therefore request that you will be good enough to obtain the sanction of Government for the above estimate.

3. The charge may be met from the provision in the revised budget estimate for 1885-86 of Rs. 500 for training institutions, and the balance from the allotment for petty constructions and repairs to Government schools, General.

No. 2165, Educational.

Approved, and transferred to the Public Works Department.
