Sir

I have the honor to report that I have been tipping stone along the beach in front of the Biden Home ever since November 8th with a view to protect the coast from erosion by reason of high tides and strong swell acting con-jointly

2 You doubtless are aware that on the night of the 8th and throughout the 9th November 1886 much damage was done by the sea, and the wall of the compound round the Biden Home was knocked-down. The wall also of the compound of Carlton House was (for the third time since 1878) knockdown by the waves

3 I am not quite sure whether the Board approve of my having al-
