for less than 12 months, yet as a matter of fact Regiments are not now moved to Madras solely in anticipation of their being sent to Burma, and the Perambur lines are habitually occupied by one of the Regiments forming the permanent garrison of Madras

2. Under these circumstances the Commander-in-Chief is of opinion that there is now no reason why rents should not be paid from date of occupation of the Perambur lines, as in the case of the West Huttling lines at Bangalore, but His Excellency considers that the change of practice should not be made applicable to the 15th M. I. till it has been 12 months in occupation.

SIR,

In returning the papers referred under your No: 3398 dated 7th Ultimo, I am desired by His Excellency the Commander-in-Chief to point out that while the reason given in P.G. No: 3352 dated 8th September 1865 why Regiments should not pay rent for the Perambore lines for the first 12 months of occupation was, that this set of lines was constructed at Government expense and retained as Government property, specially with a view to their being occupied by Regiments going on, or returning from Foreign Service in Burma, which would ordinarily be located in Madras for

dated 30th July 1886, I am desired
to submit for the favorable con-
sideration of Government the
proposal of the Provincial Com-
mander-in-Chief that, as the
Wing of the 4th Pioneers, under orders
to Madras, will not receive the
value of its lines at Trichinopoly
which it will have to maintain
in repair, it should be permitted
to occupy the Perambore Lines at
Madras free of rent for the short
time it will probably be at that
station,

Station, on the understanding that
it makes good damages, other
than those attributable to fair
