GENERAL.

To  
THE DIRECTOR GENERAL OF RAILWAYS.

*Fort William, December 1, 1886.*

SIR,

In reply to your letter No. 2344 E., dated 17th September 1886, I am directed to inform you that Income Tax under Act II of 1886 should be recovered from all labourers whose wages, whether paid daily or otherwise, amount to not less than Rs. 41-10-8 in the month.

2. The responsibility for levying the tax rests with the disbursing Officer, who should make such arrangements as he may think sufficient for ascertaining the labourers from whom the tax should be recovered under the rules given above. For the labourers who are likely to be paid not less than Rs. 41-10-8 in the month, separate muster rolls should be prepared in which the amount of tax recovered from each labourer should be shewn. These must be submitted to the Examiner with the monthly account.

3. If the total year's income of any labourer from all sources is less than Rs. 500, he will be entitled to a refund at the end of the year of the amount of tax deducted from his wages during the year. In order to obtain a refund, he should after the close of the year apply to the Collector, stating—

(i) his total income in the year, giving a detail of the several sources;

(ii) the amounts deducted from his wages in any months of the year.

The Collector, if he, after communicating with the Examiner of Accounts, is satisfied that the total annual income from all sources is under Rs. 500, will declare the applicant entitled to refund of the amount deducted, and the amount will be paid like any ordinary refund.

I have the honor to be,
