Civil Works.

READ—the following papers :—

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 24th September 1884, No. 435 E.W.

In forwarding, for your information, a letter * from the Executive Engineer, Nilgiris, regarding a piece of ground on which cultivation was observed to be in progress, on the occasion of your recent inspection, near Bombay Castle, I have the honor to inquire whether you think it desirable the land in question should be purchased by Government.

2. It appears from the survey that the land in question is outside the Bombay Castle boundary.

ENCLOSURE.

From Major A. C. SMITH, R.E., Executive Engineer, Nilgiri Division, to the Superintending Engineer, IV Circle, dated Ootacamund, 17th September 1884, No. 311.

I have the honor to submit, herewith, a plan (to be kindly returned) of Bombay Castle and land appertaining thereto lately purchased by the Government from Eduljee, a Parsee of this place.

2. You may remember on inspecting these premises the other day, with the Chief Engineer, we observed some cultivation going on near, and possibly within, our boundary. I have marked in pencil shading the north-east portion of C. 324 on which this cultivation was going on.

3. You will observe from the plan that it is all *outside* our boundary, and that therefore we cannot prevent the cultivation unless we purchase some more land under the Act, and this would entail further expense.

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Mangalore, 28th October 1884, No. 477 E.W.

With reference to your memorandum, No. 1630 C, dated 3rd instant, I have the honor to state that the approximate value of the piece of ground adjoining the Bombay Castle property is Rs. 300.

ORDER—dated 6th January 1886, No. 32 W., Public Works.

The Superintending Engineer, IV Circle, will take the necessary steps, in communication with the Collector of the Nilgiri district, for the acquisition, under Act X of 1870, of the piece of land adjoining Bombay Castle, referred to in the foregoing papers.

2. The requisite allotment of funds will be made on application from the
Superintending Engineer.

Account.

READ—the following paper:—

From the Government of India, Military Department, dated 28th May 1885, No. 509 M.W.

ORDER—dated 19th June 1885, No. 1437 W., Public Works.

In their letter above recorded, the Government of India accept a charge, against Imperial military funds, of Rs. 3,600 per annum, on account of rent for the buildings occupied by the Madras Army head-quarter offices at Ootacamund, but state their inability to sanction any grant for their purchase or repair.

2. This decision will now be finally accepted, and the Bombay Castle property at Ootacamund will be classified under Provincial Civil Buildings.

3. The Superintending Engineer, IV Circle, will arrange for all requisite repairs to the buildings being carried out from the grant to the Nilgiri division under Repairs, Provincial.

In forwarding, for your information
a letter from the Executive Engineer, Nilgiris,
regarding a piece of ground on which culti-
-vation was observed to be in progress on
the occasion of your recent inspection near
Bombay Castle, I have the honor to enquire
whether you think it desirable the land
in question should be purchased by Govt.
2. It appears from the Survey that the
land in question is outside the Bombay
Castle boundary.

I have the honor to be,

Sir,

Your most obedient servant,

L. Beatty. C.E.
Superintending Engineer IV Circle

nothing on boundary.

To W for advice.

S. E. has not stated what the probable cost of the piece of land would be - information which would enable you better to decide on the point.

Ct.

26-9-86.

It would be well that S. E. should state probable cost.

When that point is ascertained the papers can be kept at Ootacamund until my return.
