Sir

With reference to your

letter No 286 A. G. dated 4th November 1886, I am directed to state that it is not the established custom in this Presidency for Government to provide residences for sub divisional officers, and that the case of the Head Assistant Collector therefore does not fall within the provisions of para 1 (1) of Government of India Circular No 14 dd 2nd September 1885. The village of Kandyal is moreover practically a locality where a Civil Station is in course of formation. The sanction of the Government of India to the provision of a residence for the Head Assistant Collector therefore seems necessary, and I am directed to request that such sanction may be accorded. There is absolutely no house in the station in which the Head Assistant Collector can reside, and when at head quarters, he lives in tents.

2. The building will cost about Rs 11,000, and the Head Assistant Collector will be required to pay rent for it in accordance with S.R. Code rules.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ again G.O. Rev. Dept. dated 8th September 1886, Mis. No. 5337.

Read also the following:-

1. Proceedings of the Board of Revenue, dated 12th October 1886, Mis. No. 7538, on letter from the Collector of Kurnool, dated 25th September 1886, No. 291.

With reference to the Board's Proceedings dated 22nd September 1886, Mis No. 7118, I have the honor to resubmit the plan and estimate for the construction of the Head Assistant Collector's house at Nandyal.

Submitted to Government in reference to para. 3 of G.O. 8th September 1886, No. 5337.

2. Proceedings of the Public Works Department, dated 13th November 1886, No. 3007/C, communicating letter from Government of India giving the meaning of the term "Civil Station."

Order thereon, 3rd December 1886, No. 7296.

It is not the established custom in this Presidency for Government to build houses for Sub-divisional Officers, and the case does not come, therefore, within the spirit of the exceptions enumerated in para. 1 of the

the Circular from the Govt. of India, dated 2nd Septem-
ber 1885, No. 14. As, practically, Kandyal is a locality
where a Civil Station is in course of formation, it
seems necessary to obtain the special sanction of
the Govt. of India to construct a residence there for
the Head Assistant Collector and the necessary ap-
plication will be made in the Public Works Department
accordingly.

2. Meanwhile, orders will issue in the Public
Works Department for the revision of the plan and
estimate, resubmitted with the Proceedings of the
Board of Revenue, dated 12th October last, so as to pro-
vide for two bath rooms and two dressing rooms
to each bed room.
