Letter from the Superintending Engineer 111 Circle No 89 dated  
12th April 1886

With reference to your Memorandum No 2. 111 dated 1st  
April 1886 I have the honor to report, that the C Project  
Division can be closed from end of June 1886.

2. There is a first Class Draftsman in the Project Division  
whose services were transferred from the Bengal Presidency;  
and there is a Clerk who has about 10 years service. If the  
services of these men are to be dispensed with, Pension or  
Gratuity as the case may be, will have to be given to them.

3. I would therefore solicit your instructions whether  
these men ought to be retained until they can be provided  
for on the occurrence of vacancies on the Permanent Estab-  
lishment; or should their services also be dispensed with.

Order thereon No 1157 W dated 8th May 1886.

Communicated to Superintending Engineers, for early  
report whether the services of either the draftsman or clerk  
are required in their respective Circles. Meanwhile the men  
will be retained.

2. It is observed that provision has been made for carry-  
ing on the Project Division to the end of August 1886.
