READ—the following Proceedings of the Board of Revenue, dated 11th December 1886, Mis. No. 9141:—

Read—the following letter from L. R. BURROWS, Esq., Collector of Nilgiris, to the Secretary to the Board of Revenue, dated Ootacamund, 20th November 1886, No. 293:—

By G.O., No. 1797 W., dated 16th July 1886, Public Works Department, sanction was given to the acquisition, under Act X of 1870 (India), of a piece of land from Mrs. Morgan, required for the new service reservoir at Snowdon. A notification was also published by Government under section 6 of the Act at page 643 of the *Fort St. George Gazette*, dated 16th July 1886.

2. I applied to Government to put the Act into force in the case, as I anticipated some difficulty in otherwise settling the compensation payable. As, however, this has been arranged for by private negotiation both for the land notified for acquisition and another additional piece since found to be also required, I have the honor to request that the enclosed draft notification, if approved, may be published in the *Fort St. George Gazette* in revocation of the former one.

Resolution—dated 11th December 1886, Mis. No. 9141.
Submitted for the orders of Government.

2. The Board think that the proposed notification may be published.

READ—the following letter from L. R. BURROWS, Esq., Collector of Nilgiris, to the Secretary to Government, Revenue Department, dated Ootacamund, 9th July 1886, No. 45:—

In his letter, No. 1000, dated 5th instant, the Executive Engineer, Nilgiri division, has requested me to "value" a piece of land estimated to be a little less than an acre in extent, now forming a part of settlement No. C/183 in Ootacamund village, and registered in the name of Mrs. E. H. Morgan as part of her "Snowdon" property; the said piece of land being required for the new service reservoir at "Snowdon" in connection with the new water-supply scheme (G.O., dated 18th June 1886, Mis. No. 565 A.M.). The Executive Engineer means that the land should be acquired either by private negotiations or under Act X of 1870 (the Land Acquisition Act).

2. I have addressed Mrs. Morgan requesting her to state what compensation in money she requires for the surrender of the land to Government, including an old shed which now stands on it.

3. But as the work in connection with which the plot is required is emergent, and as I anticipate some delay in settling the compensation payable, I have the honor to submit direct to Government, to save time, a draft notification, under section 6 of Act X of 1870, for publication in the *Fort St. George Gazette*, after approval, and to request that, under section 17, I may be authorised to deal with this case as an urgent one and take possession of the land as provided for in that section.

4. A copy of this letter and enclosure have been sent to the Board of Revenue.
