The Venerable the Archdeacon of Madras, dated
30th September 1887, N^o 324 :-

With reference to G.O. N^o 100,
dated 21st June 1887, which in para 2 requested me
to report on para 2 of G.O. 26th August 1886, N^o 192
Eccelesiastical, regarding planting of trees and shrubs
in St. Mary's Cemetery, Madras, thereby necessi-
tating the employment of extra mali-chowke-
dars, I have the honor to state - First that
the report has been delayed, waiting the return of
the ag. Garrison Chaplain from privilege leave,
who had reported to me the planting of the trees
and shrubs in question. Second. That neither
myself or the Garrison Chaplain were aware of
the order dealing with the subject. The work of
planting seems to have been carried out by the
D.P.W. as in May, I was informed by the Chaplain
the trees had been placed in his charge.

2. By G.O. N^o 106 W, dated 13th January 1887 the
sum of Rs. 470 was sanctioned for "cutting
and replanting trees in St. Mary's Cemetery" and

And on this order, I presume, the work was done.

3. The area of St. Mary's Cemetery is $7\frac{1}{2}$ acres, so that, ^{under} the Rules it is not entitled to a larger establishment than that at present entertained. The Chaplain and Executive Engineer in their report wished, however, it might receive exceptional treatment. I have explained to the Garrison Chaplain that provision is made in G.O. No. 141 of 17th July 1885 for planting and cleaning in Cemeteries, though not for the increase of regular establishments.

Order, 4 November 1887 No 167

Recorded with the remark

that the Government are unable to sanction a larger establishment than is provided for by the rules.
