Ag. Chief Secretary.

ORDER--dated 6th January 1886, No. 33 W., Public Works.

The estimate, amounting to Rs. 1,920, for converting into patients' wards the
sweepers' quarters at the lunatic asylum, Calicut, is sanctioned.

2. As recommended by the official visitors, the work will be carried out by the
Superintendent of the asylum, and passed, on completion, by the Executive Engineer.
If the requisite funds cannot be provided by the Superintendent Engineer before the
end of the current official year, the work should be included in the statement of
demands against the reserve to be submitted early in 1886-87.

3. It is observed that the execution of the work now sanctioned will render
unnecessary, for the present, the larger scheme estimated to cost Rs. 10,340, and
sanctioned in G.O., dated 18th November 1884, No. 2876 W.

4. The sanction accorded in paragraph 1 has been registered as Provincial,
No. 192 W. of 1885-86, and classified as Civil Buildings, Original Works.

With reference to the above a true extract from

from the Official Visitors' book is herewith for-
warded with a request that the District Magistrate
will forward it direct to the Surgeon General as
speedily as possible.

A plan & estimate together with a report for converting
the sweepers' quarters into wards are herein enclosed.

Respectfully,
17 November 1888
J. H. [Signature] M.B.
Surgeon Major
Superintendent Lunatic Asylum

Forwarded. - The plan of converting
the sweepers' quarters into Patients'
quarters has my full concurrence.
It will supply a want which
has been much felt in the
Asylum in affording means
for segregating the convalescent
inmates from those who are violent
& noisy.

Extract from the Official Visitors' Report.

Date of visit	Observations and recommendations of Official Visitors	Remarks or explanation of the Superintendent	Orders of the Surgeon-General with the Government of Ireland
November 14 th 1885	Passed for release two civil males and one civil female; and also one civil male who is dying, and whom his friends wish to remove. We have seen the plans and estimate for the proposed by the S. P. W. for converting the 'Sweepers' quarters into wards. At this plan, if carried out, well-modest is really wasteful. I think the work being as speedily done by now. We recommended that the improvements now proposed be taken in hand as soon as possible; and be executed by the Superintendent of the Asylum, when the work is done it should be passed by an Officer of the S. P. W. We are of opinion that the pay of the writer should ought to be raised from £10 to £15. He has heavy and responsible work to perform and has done it satisfactorily for the last three years. / Signed / H. Stokes. District and Prison Surgeon. / Signed / P. M. Carleton M.D. Surgeon, Civil Staff	This work should be carried out without any delay. Moreover, modification is really wasteful. I think the work being as speedily done by now. Sanctions is requested as early as possible. I mentioned this in my Annual Report. The clerk is well deserving of the increase recommended.
