Enclosures.

SIR,

I have the honor to report
 that the Executive Engineer in charge
 of No. III Tank Division, at Kurnool
 has applied for three Medicine Chests
 for issue to the Sub Divisional Officers
 under him and to recommend that
 the request may be complied with.

The Kurnool District is
 notoriously unhealthy and the
 frequent absence of subordinates
 from sickness has been found in
 practice

practic to cause a very serious inter-
ruption to work; this evil would
probably be lessened, if medicines
were at hand for immediate use.

I have the honor to be
Sir,

Your most obedt servt
