GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General Account.

READ—the following letter from Colonel T. K. GUTHRIE, Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 2nd February 1886, No. 584 :—

In the Provincial budget statement for 1886-87, which accompanied G.O., dated 30th December 1885, No. 3094 W.,* I have the honor to point out that the marginally-noted works, which appear under head 17. Police, Provincial Services, are not really police works, for they are every one of them required for the land customs police guards employed by the Revenue Department.

* Miscellaneous No. 203, dated 22nd January 1886, Judicial.

		Rs.
Item No. 70.	Ten police huts at Nandalur chowkey	3,945
" 71.	Eleven huts at Sanamungalam	3,585
" 72.	Nine huts at Velangudi	3,130
" 80.	Six huts at Nalladi	1,950
" 81.	Seven huts at Alathur	2,340
" 82.	Five huts at Kovilkandangudi	1,690
" 83.	Five huts at Seshumalai	1,756
	Total ...	18,396

2. At present there are many sanctioned regular police works for which no appropriations have been made, and there are others for which appropriations were made in the current year's budget but have since been withdrawn, owing to financial pressure, under G.O., Mis. No. 1553, dated 12th June 1885 (No. 1253 W., dated 29th May 1885).

3. Under such circumstances, it is with great regret I find that buildings of the Revenue Department, the cost of which, I submit, should form part of the Provincial Imperial grant, have obtained appropriations from Provincial Police funds presumably detrimental to the police grant. I therefore request that the appropriations made for the above Revenue buildings may, before the final issue of the budget is published, be set free and transferred to the marginally-noted regular police works, for most of which appropriations were made and withdrawn.

		Rs.

9.	Madura—Station-house at Saptur	...
10.	Do. — Do. at Iyalur	...

4. The District Magistrate of Madura is of opinion that the station-house and huts at Saptur (No. 9) are urgently required, and for this and for the last mentioned work the plans and estimates are now with the Superintending Engineer.

No. 204 C., Judicial.

Transferred to the Public Works Department.

4th February 1886. (Signed) W. WILSON,
Acting Chief Secretary.

ORDER—dated 10th February 1886, No. 372 W., Public Works.

Of the ten works referred to by the Inspector-General of Police, in paragraph 3 of his letter above recorded, funds have been allotted for item 6 in the current official year.

2. Items 1, 3, 4, 5, 7 and 8 were not brought forward by Superintending Engineers in their Circle budgets, and no provision has therefore been made for them in the Provincial budget for 1886-87. They, as well as item 2, will be included by Superintending Engineers concerned in their statements of demands on account of sanctioned new works,—when the question of allotting funds for them from the reserve will be considered with reference to other requirements.

3. Items 9 and 10 were included in the budget programme for 1886-87; but as estimates for the works had not been sanctioned, they were relegated to class B, as items 19 and 20. The question of providing funds for these two works will be considered on receipt of the estimates.

4. The Government cannot admit the Inspector-General's contention that the works mentioned in his first paragraph have obtained appropriations from Provincial Police funds to the detriment of the police grant. The Provincial Public Works grant is a whole, and there is no fixed proportionate grant for each department. While due consideration is given to the requirements of each department, so far as they come within the purview of the Government, the works appertaining to all departments of the State are reviewed in the order of their urgency.

ORDER—dated 29th May 1885, No. 1253 W., Public Works.

In the resolution embodied in the proceedings above quoted, the Government of India point out the necessity for curtailing expenditure from Provincial funds, and a report is called for showing what reductions of grants are possible.

2. The statement annexed to these proceedings, compiled from reports received from Superintending Engineers, shows that, out of the allotments provided in the budget for new works, a sum of Rs. 2,91,053 is available for surrender. This statement will be communicated to the Financial Department, and, until receipt of further orders, Superintending Engineers will see that no expenditure is incurred on the works detailed therein.

3. The reserve with Government for incomplete and minor works, and for unforeseen contingencies, amounts to the comparatively small sum of Rs. 1,18,930; and the amount reserved for repairs is Rs. 2,24,175. It is not probable that any surrender will be feasible under the above heads; but should any reduction be found possible, a further report will be made to the Financial Department.

Order—dated 1st July 1885, No. 1533 W., Public Works.

The statements printed with these proceedings exhibit the demands made by Superintending Engineers for Provincial minor and incomplete works, repairs, and tools and plant.

2. The demands under Repairs are as follows :—

	Rs.
Civil Buildings...	82,054
Communications	49,100
Miscellaneous Public Improvements	7,421
Total ...	1,38,575

3. The total allotments, as shown in statement A, are :—

	Rs.
Civil Buildings	85,360
Communications	72,640
Miscellaneous Public Improvements	6,730
Total ...	1,64,730

4. The Superintending Engineer, IV Circle, made no demands in his statement under Repairs and Tools and Plant; but he has since explained that the grants made to his circle under those heads at pages 18 and 47 of the final issue of the Provincial budget for 1885-86 are not susceptible of reduction. The allotments made to the I and V Circles are less than the demands; and, if the grants are hereafter found to be inadequate, endeavours will be made to supplement them. Expenditure should, however, be restricted to absolutely necessary requirements.

5. The budget provision under Repairs amounts to Rs. 2,24,175; and the difference, Rs. 59,445, between that sum and the allotment now made is transferred to the reserve under Civil Buildings.

6. The total demands under Tools and Plant aggregate Rs. 22,100; and the total allotments, after providing for the requirements of the IV Circle, amount to Rs. 29,600. The provision in the budget for expenditure in India under this head is Rs. 51,115; and the difference, Rs. 21,515, between that sum and the allotment now made is transferred to the reserve under Civil Buildings.

7. The amount reserved in the budget for incomplete and minor works was Rs. 1,18,930, but subsequent modifications have reduced the sum to Rs. 1,07,123. The total amount available for distribution is therefore:—

	Rs.
Reserve with Government	1,07,123
Transferred from Repairs	59,445
Do. from Tools and Plant	21,515
Total ...	1,88,083

8. The demands received are as follows:—

Incomplete minor works	4,931	
Do. major works	1,74,287	
Do. Registration works	24,141	
Do. Police works...	19,423	
Total incomplete works ...		2,22,782
New minor works...	5,192	
Do. major works	2,000	
Do. Registration works	2,455	
Do. Police works	8,153	
Total new works ...		17,800
Lump sum grants for minor works		8,425
Total demand ...		2,49,007

9. The allotments granted are shown below:—

Incomplete minor works	3,241	
Do. major works	1,20,025	
Do. Registration works	23,407	
Do. Police works..	18,534	
Total incomplete works ...		1,65,207
New minor works...	2,150	
Do. major works	8,700	
Do. Police works	1,725	
Total new works ...		12,575
Lump sum grants for minor works as per statement A ...		8,425
Total allotments		1,86,207

10. In the case of several works entered in the list, demands are made for grants in addition to allotments already provided in the budget. The demands in such cases have not been complied with under existing financial pressure; but, if necessary, endeavours will be made to provide additional funds later in the year.

11. Grants have been provided for only two minor new works, viz., "Furnishing clerks' quarters at Ootacamund" (Rs. 2,150, a completed work), and "Constructing police huts at Perumallur" (Rs. 1,725, in progress). The action of the Executive Engineer, North Arcot division, in commencing the latter work in anticipation of an allotment of funds, was irregular.

12. Under Major New Works Rs. 2,000 have been allotted for improvements to the family quarters attached to the civil engineering college at Madras, a work commenced by the Consulting Architect to Government in anticipation of sanction. The

irregularity has been noticed in separate proceedings. A sum of Rs. 6,700 has also been provided for improvements in the Negapatam taluk cutcherry, a work urgently needed. The Superintending Engineer, VI Circle, will have it put in hand at once, and completed within the official year.

13. The statements printed at pages 18 and 47 of the final issue of the Provincial budget for 1885-86 are superseded by these proceedings.

4. The selection of the works under class A, and the amounts of appropriations for them, have been decided in accordance with the arrangements sanctioned in G.O., No. 2856 W., dated 11th October 1883. The works under class B are those brought forward by Superintending Engineers, but for which funds cannot be provided.

5. The Superintending Engineers concerned will submit, without loss of time, plans and estimates for those unsanctioned works for which provision has been made during the year.

6. The grants for minor original works and repairs will be held at the disposal of the Government, and will be appropriated on receipt of detailed proposals from Superintending Engineers and the Consulting Architect.

7. The budget estimate of revenue for 1885-86 amounted to Rs. 1,00,000, but the revised estimate has been fixed at Rs. 80,000 in consequence of a large reduction in the receipts from the Presidency Workshops owing to the restriction of its operations.

8. The budget estimate of expenditure for 1885-86 was Rs. 23,00,000, but, owing to financial pressure, a sum of Rs. 3,11,053 was surrendered to the Financial Department, and the revised estimate has thus been reduced to Rs. 19,26,296.

9. With these remarks the preliminary issue of the Provincial Budget Estimate for 1886-87 will be printed and circulated for the information and guidance of the officers of the department, and four copies forwarded to the Government of India for information.

works which appear under head 17 Police Provincial Services, are not really Police works, for they are every one of them required for the Land Customs Police guards employed

employed by the Revenue Depart-
-ment.

2. At present there are many Sanctioned regular Police works for which no appropriations have been made and there are others for which appropriations were made in the Current year's budget but have since been withdrawn owing to financial pressure under G. O. No 1553 Mis: dated 12th June 1885 (No 1253 M dated 29th May 1885).

3. Under such Circumstances it is with great regret I find that buildings of the Revenue Department, the Cost of which I submit, should form part of the Provincial Imperial grant, have obtained appropriations from Provincial Police funds presumably detrimental to the Police grant.

I therefore request that the appropriations made for the above Revenue buildings may, before the final issue of the budget is published, be set free and transferred to the marginally noted regular Police works for which appropriations were made and withdrawn.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Under date the February 10th 1886

Read the following

From the Inspl Genl of Police No: 534 dated 2nd Feby 1886

4. Of the two works proposed to be by the Inspector General of Police, in para 3 of his letter above recorded, funds have been allotted for item 1 in the current official year

2. Items 1, 3, 4, 5, 7 and 8, were not brought forward by Supt Engineers in their Circle Budgets, and no provision has therefore been made for them in the Provincial Budget for 1886-87. They as well as item 2, will be included by Supt Engineers concerned in their statements

of demands on account of sanctioned new works, when the question of allotting funds for them from the provision will be connected with reference to the requirements.

3- Items 9 and 10 were included in the Budget programme for 1885-87, but as estimates for the works had not been sanctioned, they were relegated to Class B, as Items 19 and 20. The question of providing funds for these two works will be considered on receipt of the estimates.

4- The Govt. cannot admit the Inspector Generals contention that the works mentioned in this first paragraph should receive appropriations from Provincial Police funds to the detriment of the Police portion of the Provincial Public Works grant as a whole, and there is no fixed proportionate grant for each department while due consideration is given to the requirements of each department, so far as they come within the purview of the four heads of works appertaining to all departments of the State are remained in the order of their urgency.
