5. Copy of resolution sanctioning this, passed by the District Board on the 29th September 1885, is enclosed.

No. 99.

Submitted to Government, through the Accountant-General, with a request that they may be pleased to sanction the proposed payment from Local Funds of the pensionary contribution on behalf of the head clerk in the Local Fund Board's office, who held a pensionable post prior to his appointment in the Local Fund department, as stated by the Vice-President.

ORDER—dated 22nd January 1886, No. 112 L.F., Financial.

Payment of pensionary contribution in arrears is sanctioned in this case, but all Presidents of District Boards are reminded that, under section 42 of Act V of 1884, District Boards are bound to pay the pensionary contributions of Government officers serving under them, and that they should therefore, as far as possible, abstain from applying for the transfer of such servants, by which abstention a larger field for the employment of candidates, who have not passed the Government tests or have passed the limit of age for Government employment, will be opened out, and Local Funds will be saved a considerable burden. It is only where other qualified men cannot be got that Government servants should be taken, and Local Fund service should not be looked to by Government clerks as an alternative field for promotion and employment.

2. Municipal councils are liable to the payment of pensionary contribution in like manner under section 40, Act IV of 1884, and they are also requested to abstain, as far as possible, from applying for the transfer to their service of Government servants.

3. In future, in the case of transfers made in contravention of the orders now issued, Government will decline to sanction the payment, from Municipal or Local funds, of pensionary contribution.
