Note

Proposed appointment
of Supt. Joyce to the
Gopalpur pier works.

There is one point
in connection with this
matter which should
apparently be submitted
for consideration, before
a disposal is drafted.

It is proposed to
increase Supt. Joyce's
pay to Rs 175 per m.
while employed at
Gopalpur, & to charge
the whole amount to
the estimate for the
work.

The Gopalpur pier
is being constructed
from Port funds,
which will make
a contribution to
Provincial P.R.

on this point are requested

I have seen
C.C. Rawson Capt. R.
salary by Executive Eng.

53,500, on the estimate
of Rs 2,20,000.

Only recently the
Master Attendant made
a representation on
the subject of this
large tax on Port
Funds, & to avoid the
charge of estab.
he proposed that the
Port Office should
supervise the work-
ing papers inside
p. 42 223W of 26.1.86

It would scarcely
be equitable now, if
the P.W.D., after investing
on the payment of the
contribution, should
appoint a highly paid
man to assist in the
supervision, & to charge
his pay to rates, which
would virtually be making
Port Funds bear the charge
in addition to paying
the contribution.

The more correct pro-
cedure would apparently
be to charge Supt Joyce's
pay to the grant for
temporary estab. He
could still count his
service for pension
under Sec. 75 of the
C. P. Code.

Cy

I understand that only the
order No. 45 was the charge
to rates: but in this is
apparently not the case
the fairest way will be
to charge Supt Joyce's pay to
temporary estab. funds.
I see no necessity for Mr
Medlicott & Messrs Joyce
but being in the work, which
will extend over a small area
& be done on the ground.

Sir,

With reference to your letter No. 1860 G.D. dated 11th December 1885 directing Mr. Loye to proceed to Gopalpore by the Steamer on the 1st of January 1886, I have the honor to bring to your notice that as Mr. Loye will have to maintain his family at Dowlaiswaram during his stay at Gopalpore, he will no doubt be put to extra expenses.

2. I request therefore that you will be good enough to grant him an extra allowance of Rs. 45 per mensem, for the time he is employed on the Pier Works. His present pay viz Rs. 130 together with the extra allowance, for which sanction is now applied for, may be charged to Pier works. His services during the interval will of course count towards pension with reference to section 75 of Pension Code. Special orders on this point are requested.
