READ—the following papers:—

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction,
Madras, to the Chief Secretary to Government, dated Madras, 7th January
1886, No. 87.

With reference to G.O., Public Works, No. 517 W., dated 6th March 1885,
sanctioning the estimate for Rs. 1,210 for improving the Government school-house at
Arcot, I have the honor to state that the Inspector of Schools, Fourth division, brings
to my notice that no funds appear to have been allotted though the amount was
sanctioned. The southern wing of the school-house is now reported to be in such a
dangerous condition that, if early steps are not taken to repair it, the building may
suddenly collapse. I therefore request that sanction may be obtained, at an early
date, for the allotment of funds, so that the work may be completed within the current
official year.
