Proceedings of the Board of Revenue, dated 20th June 1884, Mis. No. 5548.

Read—the following letter from J. STURROCK, Esq., Collector of South Canara, to the Secretary to the Board of Revenue, dated Mangalore, 8th June 1884, No. 1330 :—

I have the honor, at the request of the Superintending Engineer of the Circle, to submit, for the sanction of Government, a revised plan and estimate with their accompaniments (seven in number) for the additions and improvements lately sanctioned by Government to the Collector's cutcherry at Mangalore, and now being carried out by the Public Works Department under the orders noted in the margin.

G.O., 12th January 1881, No.	71 W.
" 1st August 1882, "	1941 W.
" 18th January 1883, "	200 W.

2. The original estimate, as finally approved and sanctioned by Government, amounted to Rs. 29,370. The revised estimate now prepared exceeds the above sum by Rs. 4,640. The causes of this excess are fully explained by the Superintending Engineer in the detailed report and comparative statement of differences which accompany the revised estimate.

Resolution—dated 20th June 1884, Mis. No. 5548.

Submitted for the sanction of Government. The excess over the estimate sanctioned in Public Works G.O., dated 18th January 1883, No. 200 W., is Rs. 4,640.

(A true Copy and Extract.)

(Signed) E. GIBSON,
Secretary.

Mis. No. 2728, Revenue.

Transferred to the Public Works Department, with the intimation that the revised plan and estimate have the approval of Government in the Revenue Department.

(By Order.)

OOTACAMUND,
30th June 1884.

(Signed) H. E. STOKES,
Secretary to Government.

ORDER—dated 29th July 1884, No. 1836 W., Public Works.

The second revised estimate, amounting to Rs. 34,010, for additions and improvements to the Collector's cutcherry at Mangalore, is sanctioned.

2 The excess of Rs. 4,640 over the first revised estimate of Rs. 29,370, sanctioned in G.O., No. 200 W., dated 18th January 1883, is explained as being due to

increased rates and to additional work not foreseen when the previous estimates were drawn up.

3. The expenditure on the work to the end of 1883-84 amounted to Rs. 22,335, and a sum of Rs. 7,032 has been provided in the Provincial budget for outlay to be incurred in 1884-85. If the balance of the estimate is required before the end of the current official year, timely application should be made by the Superintending Engineer.

4. This sanction has been registered as Provincial No. 100 W. of 1884-85, and classified as Civil Buildings, Original Works.
