4. The selection of the works under class A, and the amounts of appropriations for them, have been decided in accordance with the arrangements sanctioned in G.O., No. 2856 W., dated 11th October 1883. The works under class B are those brought forward by Superintending Engineers, but for which funds cannot be provided.

5. The Superintending Engineers concerned will submit, without loss of time, plans and estimates for those unsanctioned works for which provision has been made during the year.

6. The grants for minor original works and repairs will be held at the disposal of the Government, and will be appropriated on receipt of detailed proposals from Superintending Engineers and the Consulting Architect.

7. The budget estimate of revenue for 1885-86 amounted to Rs. 1,00,000, but the revised estimate has been fixed at Rs. 80,000 in consequence of a large reduction in the receipts from the Presidency Workshops owing to the restriction of its operations.

8. The budget estimate of expenditure for 1885-86 was Rs. 23,00,000, but, owing to financial pressure, a sum of Rs. 3,11,053 was surrendered to the Financial Department, and the revised estimate has thus been reduced to Rs. 19,26,296.

9. With these remarks the preliminary issue of the Provincial Budget Estimate for 1886-87 will be printed and circulated for the information and guidance of the officers of the department, and four copies forwarded to the Government of India for information.
