READ—the following letter from Colonel T. K. GUTHRIE, Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 2nd February 1886, No. 584 :—

In the Provincial budget statement for 1886-87, which accompanied G.O., dated 30th December 1885,

* Miscellaneous No. 203, dated 23rd January 1886, Judicial.

Item No.	Description	rs.	Notes
70.	Ten police huts at Nandalur chowkey	3,945	that the marginally-noted works, which appear under head 17. Police, Provincial Services, are not really police works, for they are every one of them required for the land customs police guards employed by the Revenue Department.
71.	Eleven huts at Sanamungalam	3,585	
72.	Nine huts at Velangudi	3,130	
80.	Six huts at Nalladi	1,950	
81.	Seven huts at Alathur	2,340	
82.	Five huts at Kovilkandangudi	1,690	
83.	Five huts at Seshumalai	1,756	
Total		18,396	

2. At present there are many sanctioned regular police works for which no appropriations have been made, and there are others for which appropriations were made in the current year's budget but have since been withdrawn, owing to financial pressure, under G.O., Mis. No. 1553, dated 12th June 1885 (No. 1253 W., dated 29th May 1885).

3. Under such circumstances, it is with great regret I find that buildings of the Revenue Department, the cost of which, I submit, should form part of the Provincial

Item	Description	rs.	Notes
1.	Ganjam—Additions and alterations to the police office at Chatrapur (G.O., No. 1700 W., dated 9th July 1884)	4,600	Imperial grant, have obtained appropriations from Provincial Police funds presumably detrimental to the police grant. I therefore request that the appropriations made for the above Revenue buildings may, before the final issue of the budget is published, be set free and transferred to the marginally-noted regular police works, for most of which appropriations were made and withdrawn.
2.	Vizagapatam—Station-house at Komaradu (G.O., No. 2339 W., dated 20th August 1883)	1,520	
3.	Jeypore—Station-house at Koraput (G.O., No. 2273 W., dated 30th September 1885)	3,895

9.	Madura—Station-house at Saptur	...	
10.	Do. — Do. at Iyalur	...	

4. The District Magistrate of Madura is of opinion that the station-house and huts at Saptur (No. 9) are urgently required, and for this and for the last mentioned work the plans and estimates are now with the Superintending Engineer.

No. 204 C., Judicial.

Transferred to the Public Works Department.

4th February 1886.

(Signed) W. WILSON,
Acting Chief Secretary.

ORDER—dated 10th February 1886, No. 372 W., Public Works.

Of the ten works referred to by the Inspector-General of Police, in paragraph 3 of his letter above recorded, funds have been allotted for item 6 in the current official year.

2. Items 1, 3, 4, 5, 7 and 8 were not brought forward by Superintending Engineers in their Circle budgets, and no provision has therefore been made for them in the Provincial budget for 1886-87. They, as well as item 2, will be included by Superintending Engineers concerned in their statements of demands on account of sanctioned new works,—when the question of allotting funds for them from the reserve will be considered with reference to other requirements.

3. Items 9 and 10 were included in the budget programme for 1886-87; but as estimates for the works had not been sanctioned, they were relegated to class B, as items 19 and 20. The question of providing funds for these two works will be considered on receipt of the estimates.

4. The Government cannot admit the Inspector-General's contention that the works mentioned in his first paragraph have obtained appropriations from Provincial Police funds to the detriment of the police grant. The Provincial Public Works grant is a whole, and there is no fixed proportionate grant for each department. While due consideration is given to the requirements of each department, so far as they come within the purview of the Government, the works appertaining to all departments of the State are reviewed in the order of their urgency.
